VOL 3

PROCEDURE
OFFICE

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS ON NOTICE — No 75

Thursday 1 September 2016

9996 **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Housing, Disability and Ageing —

(1) How many of the twenty East West Link residential properties given to the Salvation Army's Magpie Nest program are currently being actively used for social housing purposes, and when were these leases signed.

(2) Will the Government transfer all of the compulsorily acquired East West Link residential properties to the Public Housing Register.

9997 **QUESTION ON NOTICE**

Mr Morris to ask the Minister for Finance —

With reference to the Government's announcement on 22 August 2016 of the re-instatement of the Greener Government Buildings program, and specifically the installation of solar power in Victorian schools:

Is it proposed to install solar power at Airly Primary School at Airly; if so:

(1) What is the anticipated cost of the installation.

(2) What are the anticipated operational cost savings for the school over five years.

(3) How many tonnes of greenhouse gases does the Government estimate will be abated each calendar year as a consequence of the completion of the installation.

(4) What avoided capital costs will arise as a result.

(5) How many jobs will be created as a result.

9998 **QUESTION ON NOTICE**

With reference to the *Major Projects Facilitation Act 2009* and to the grade separation works to be undertaken at Mentone and Cheltenham:

- (1) What economic, environmental and social impact assessments will be undertaken to ensure that the stakeholders will not be unfairly affected as a result of the works.
- (2) Will comprehensive impact statements be released for consideration by the public prior to contractual commitments being entered into.

11721 **QUESTION ON NOTICE**

Mr Thompson (Sandringham) to ask the Minister for Public Transport —

With reference to the proposed grade separation works to be undertaken at Mentone and Cheltenham:

- (1) What current traffic modelling has been undertaken.
- (2) What traffic modelling has been done in relation to future traffic patterns and volumes following the completion of the works.

11722 **QUESTION ON NOTICE**

Mr Thompson (Sandringham) to ask the Minister for Public Transport —

With reference to the proposed grade separation works on the Frankston line at Cheltenham and Mentone, what reports will be made available to the public regarding the environmental effects of the jettisoning of fuel particles, asbestos from brake linings and other carcinogenic substances into the atmosphere during the works.

11723 **QUESTION ON NOTICE**

Mr Thompson (Sandringham) to ask the Minister for Public Transport —

With reference to small business proprietors who may incur substantial losses due to impaired access to premises as a result of grade separation works for the Frankston line at Cheltenham and Mentone:

(1) What are the trigger points for compensation rights to be available as a consequence of road closures in Park Road Cheltenham, Charman Road Cheltenham, Station Road Cheltenham, Balcombe Road Mentone, Florence Street Mentone, Swanston Street Mentone, Mentone Parade Mentone and Como Parade Mentone.

(2) When will the Government make the declaration to enable works to proceed.

(3) What time frame will the declaration cover.

(4) Who will the relevant business owners liaise with to gain compensation.

11724 **QUESTION ON NOTICE**

Mr Thompson (Sandringham) to ask the Minister for Public Transport —

With reference to the proposed grade separation works on the Frankston line at Cheltenham and Mentone, what environment assessment has been undertaken in relation to the removal of fuel particles, asbestos from brake linings and other carcinogenic substances to ensure that the health and wellbeing of local residents, business proprietors, sports club members and kindergarten attendees will not be jeopardised as a result of the works.

11725 **QUESTION ON NOTICE**

Ms McLeish to ask the Minister for Energy, Environment and Climate Change —

Given the recent survey data for Leadbeater's Possum, what is the estimated total population throughout Victoria.

11726 **QUESTION ON NOTICE**

Mr Walsh to ask the Minister for Water —

With reference to the answer to Question on Notice 8163, which stated that the financial information for the desalination plant is publically available at <https://www.tenders.vic.gov.au>, what are the links to the page or pages of this website which answer Question on Notice 8163.

11727 **QUESTION ON NOTICE**

Ms Victoria to ask the Minister for Roads and Road Safety —

With reference to Canterbury Road from Dorset Road, Bayswater North, to Montrose:

(1) Are there any plans to upgrade this section of Canterbury Road.

(2) When will the upgrade occur.

11728 **QUESTION ON NOTICE**

Mr Thompson (Sandringham) to ask the Minister for Public Transport —

With reference to the proposed grade separation works on the Frankston line at Mentone, and the cost differential as reported on page 6 of the Preliminary Options Assessment Level Crossing Removal Project brochure:

(1) What is the estimated cost for rail under the road at Mentone.

(2) What is the estimated cost for skyrail/rail bridge over the road at Mentone.

11729 **QUESTION ON NOTICE**

Mr Thompson (Sandringham) to ask the Minister for Public Transport —

With reference to the proposed grade separation works on the Frankston line at Cheltenham, and the cost differential as reported on page 6 of the Preliminary Options Assessment Level Crossing Removal Project brochure:

(1) What is the estimated cost for rail under the road at Cheltenham.

(2) What is the estimated cost for skyrail/rail bridge over the road at Cheltenham.

11730 **QUESTION ON NOTICE**

Mr Thompson (Sandringham) to ask the Minister for Public Transport —

With reference to proposed grade separation works on the Frankston line at Cheltenham, what is the value of recent Frankston line upgrade works which will now need to be replaced as part of the proposed grade separation project at Cheltenham.

11731 **QUESTION ON NOTICE**

Mr Thompson (Sandringham) to ask the Minister for Public Transport —

With reference to the proposed grade separation works on the Frankston line at Cheltenham:

(1) What is the reason for extending the existing third track at Cheltenham station, one option for which may entail the compulsory acquisition of private homes.

(2) Are there any plan variations which would minimise compulsory acquisition under the third track option.

11732 **QUESTION ON NOTICE**

Mr Thompson (Sandringham) to ask the Minister for Public Transport —

With reference to community comments regarding the proposal to build a multi million dollar power substation with a public carpark proximate to the Park Road Cheltenham level crossing:

(1) What is the reason for the substation.

(2) What consideration has been given to the location of the substation in the grade separation works.

Wednesday 12 October 2016

11783 QUESTION ON NOTICE

Ms Sandell to ask the Minister for Resources —

Has the \$40 million allocated in the 2016/17 budget for economic transition in the Latrobe Valley been redistributed across the Latrobe Valley, Wellington and Baw Baw Shires; if so, why has this occurred when it was committed in the budget for the Latrobe Valley, not adjoining shires.

11784 QUESTION ON NOTICE

Ms Sandell to ask the Minister for Housing, Disability and Ageing —

With reference to the redevelopment of Ozanam House:

(1) Under what funding round or program did Ozanam House receive funding for its redevelopment.

(2) Are other homelessness services eligible to apply.

(3) What, if any, reporting back mechanisms apply for recipients of the funding.

11785 QUESTION ON NOTICE

Ms Sandell to ask the Minister for Energy, Environment and Climate Change —

With reference to media reports indicating that the owners of the Hazelwood coal fired power plant intend to close it over the coming year:

(1) Why has the Government left this decision to the market and companies rather than ensuring a planned and orderly transition away from coal.

(2) What is the Government's plan to support the Latrobe Valley into new industries when the Hazelwood plant closes, beyond the \$40 million transition fund that will now be shared across many Gippsland locations rather than spent directly in the Valley.

QUESTIONS ON NOTICE — No 81

Thursday 13 October 2016

11806 QUESTION ON NOTICE

Mr Hodgett to ask the Minister for Public Transport —

(1) As at 11.40 am on 12 October 2016, did the Public Transport Victoria website state that there were major delays due to operational issues of up to 20 minutes on the Werribee line.

(2) Were Werribee line trains running to timetable as at this time.

(3) Was the operational issue that two trains in each direction on the Newport–Laverton shuttle had been cancelled.

(4) How many trains in each direction on the Altona loop have been cancelled between 1 and 12 October 2016.

11807 QUESTION ON NOTICE

Mr Hodgett to ask the Minister for Public Transport —

(1) From 1 January 2016 to 12 October 2016, on how many days have passenger trains not operated on the Frankston–Stony Point line:

(a) all day;

(b) for more than four hours of that day.

(2) How many passenger trains have been cancelled between Frankston and Stony Point from 1 January 2016 to 12 October 2016.

(3) Have track circuit or signal faults been the major contributor apart from the shutdown due to level crossing works between Ormond and Bentleigh; if not, what have been the main three reasons.

(4) What is the typical weekday number of boardings for up Stony Point line trains.

11808 QUESTION ON NOTICE

Mr Battin to ask the Minister for Emergency Services —

With reference to fire prevention for the municipality of Ararat:

(1) Has the Government provided any grants; if so, how much funding did these grants provide.

(2) Are there any current grants available to local municipalities, including Ararat, for fire prevention.

11809 QUESTION ON NOTICE

Mr Battin to ask the Minister for Emergency Services —

Has the Government purchased land to replace the Fiskville Training College; if so, what is the location of this land.

11810 QUESTION ON NOTICE

Ms Sandell to ask the Treasurer —

With reference to the Government's Back to Work scheme:

- (1) Why was the scheme closed to most new applicants with only ten days' notice.
- (2) When will the Commissioner for State Revenue publish the final statistics of the scheme.

11811 QUESTION ON NOTICE

Ms Sandell to ask the Minister for Housing, Disability and Ageing —

- (1) Is the Government planning a large transfer of public housing management and titles to the private or community housing sectors.
- (2) How many public housing properties does the Government plan to hand to the community housing or private sectors.
- (3) Where are these properties located.
- (4) When will these transfers occur.

11812 QUESTION ON NOTICE

Mr Smith (Warrandyte) to ask the Minister for Roads and Road Safety —

With reference to the proposed works on Bolton Street:

- (1) Has the business case for the works been finalised; if not, when will it be finalised.
- (2) Will the full business case for Bolton Street be made available to the public.

11813 QUESTION ON NOTICE

Mr Smith (Warrandyte) to ask the Minister for Roads and Road Safety —

With reference to the Government's proposed defensive driving course for secondary school students:

- (1) How many students have undertaken the training:
 - (a) in total;
 - (b) from metropolitan areas;
 - (c) from non-metropolitan areas.
- (2) How many schools have participated in the training:
 - (a) in total;
 - (b) from metropolitan areas;
 - (c) from non-metropolitan areas.
- (3) How many providers have been engaged to conduct the training:
 - (a) in total;
 - (b) from metropolitan areas;
 - (c) from non-metropolitan areas.
- (4) Within the metropolitan area:
 - (a) what was the average cost of training per student;

- (b) what was the highest cost paid for a student;
 - (c) what was the lowest cost paid for a student.
- (5) Within the non-metropolitan area:
- (a) what was the average cost of the training per student;
 - (b) what was the highest cost paid for a student;
 - (c) what was the lowest cost paid for a student.
- (6) What process has been used for selecting providers for the services.
- (7) How many students will undertake the program in total in 2016/17.

11814 **QUESTION ON NOTICE**

Mr Smith (Warrandyte) to ask the Minister for Roads and Road Safety —

With reference to the proposed works on the Drysdale Bypass:

- (1) Has the business case for the works been finalised; if not, when will it be finalised.
- (2) Will the full business case for the Drysdale Bypass be made available to the public.

- (3) Certificate III courses.
- (4) Certificate IV courses.
- (5) Diplomas.
- (6) Advanced diplomas.
- (7) Associate degrees.
- (8) Bachelor degrees.
- (9) Graduate diplomas.

11836 QUESTION ON NOTICE

Ms Ryan to ask the Minister for Education for the Minister for Training and Skills —

What is the total number of students enrolled at Box Hill Institute's Lakeside Lilydale campus as at 17 October 2016.

11837 QUESTION ON NOTICE

Mr Blackwood to ask the Minister for Industry and Employment —

What is the Government's contribution towards the \$1.2 million expansion of Victoria Valley Meat Exports announced as part of the Latrobe Valley Economic Facilitation Fund.

11838 QUESTION ON NOTICE

Mr Bull (Gippsland East) to ask the Minister for Public Transport for the Minister for Agriculture —

With reference to the trapping of wild dogs completed by staff employed by the Department of Environment, Land, Water and Planning:

- (1) How many wild dogs were trapped in 2015/16 in the East Gippsland/High Country region.
- (2) Of these, what was the breakdown of dogs caught by full-time staff and contract staff.

11839 QUESTION ON NOTICE

Mr Bull (Gippsland East) to ask the Minister for Public Transport for the Minister for Agriculture —

With reference to the trapping of wild dogs completed by staff employed by the Department of Environment, Land, Water and Planning:

(1) What was the highest number of dogs trapped by a full time staff member in 2015/16 for the East Gippsland/High Country region.

(2) What was the lowest number of dogs trapped by a full-time staff member in 2015/16 for the East Gippsland/High Country region.

11840 QUESTION ON NOTICE

Mr Bull (Gippsland East) to ask the Minister for Mental Health —

With reference to mental health clients who do not qualify for a National Disability Insurance Scheme (NDIS) package and new clients who require early intervention without a formal diagnosis:

How are clients in these categories in the first NDIS roll out area being supported; if there are no supports in place, what is the long term proposed solution.

11841 QUESTION ON NOTICE

Ms Asher to ask the Minister for Public Transport —

How many incidents of crime and what categories of crime have been reported on trains or stations along the Sandringham line in:

(1) 2016.

(2) 2015.

11842 QUESTION ON NOTICE

Ms Asher to ask the Minister for Public Transport —

How many incidents have been managed by Protective Service Officers at Gardenvale, North Brighton, Middle Brighton, Brighton Beach and Hampton railway stations in:

(1) 2016.

(2) 2015.

11843 QUESTION ON NOTICE

Ms Asher to ask the Minister for Public Transport —

What are the train patronage figures for the Sandringham line in 2016.

11844 QUESTION ON NOTICE

Ms Asher to ask the Minister for Public Transport —

How many trains on the Sandringham line in 2016 have been classified as overcrowded.

11845 **QUESTION ON NOTICE**

Ms Asher to ask the Minister for Public Transport —

How many cancellations of services have occurred on the Sandringham line in 2016.

11846 **QUESTION ON NOTICE**

Ms Asher to ask the Minister for Public Transport —

How many times have Myki readers failed on the following railway stations on the Sandringham line in 2016:

- (1) Gardenvale.
- (2) Brighton North.
- (3) Middle Brighton.
- (4) Brighton Beach.
- (5) Hampton.

11847 **QUESTION ON NOTICE**

Ms Asher to ask the Minister for Education —

What amount of capital has been spent at the following schools in 2015 and 2016:

- (1) Elwood Secondary College.
- (2) Elwood Primary School.
- (3) Brighton Secondary College.
- (4) Brighton Primary School.
- (5) Brighton Beach Primary School.
- (6) Elsternwick Primary School.
- (7) Gardenvale Primary School.
- (8) Hampton Primary School.

11848 **QUESTION ON NOTICE**

Ms Asher to ask the Minister for Housing, Disability and Ageing —

How many people are on the public housing waiting lists for housing in the Brighton and Elwood area.

11849 **QUESTION ON NOTICE**

Ms Asher to ask the Minister for Police —

How many extra police are needed to achieve a full police quota in Bayside in:

- (1) 2016.

(2) 2017.

(3) 2018.

11850 **QUESTION ON NOTICE**

Ms Asher to ask the Minister for Education —

What amount has been spent on maintenance at the following schools in 2015 and 2016:

- (1) Elwood Secondary College.
- (2) Elwood Primary School.
- (3) Brighton Secondary College.
- (4) Brighton Primary School.
- (5) Brighton Beach Primary School.
- (6) Elsternwick Primary School.
- (7) Gardenvale Primary School.
- (8) Hampton Primary School.

11851 **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Public Transport —

With reference to enclosed, dedicated waiting rooms at train stations:

- (1) Why are some stations with enclosed waiting rooms locked to patrons and others are open.
- (2) What determines a waiting room's suitability to be accessible.
- (3) Why is Kensington train station's waiting room closed and what are the timelines to reopen it.

11852 **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Planning —

With reference to the demolition of the heritage listed Corkman Pub in Carlton:

- (1) Which agency or agencies have been tasked with investigating any safety and planning breaches arising from the demolition.
- (2) What potential penalties do such actions attract.
- (3) Will the Government introduce tougher penalties to prevent other similar events from happening in the future.
- (4) Will the Government acquire the site or require the developers to rebuild the Corkman Pub.

QUESTIONS ON NOTICE — No 83

Wednesday 26 October 2016

11873 QUESTION ON NOTICE

Mr Wakeling to ask the Minister for Education —

With reference to University High School:

(1) Why has the Minister increased the school's designated neighbourhood zone boundary, despite the Capire/Spatial Vision (stage one) report citing a Department of Education and Training February 2016 enrolment figure of 1,401 students and an enrolment capacity of 1,400 students.

(2) What measures is the Government taking to ensure the ongoing viability of the Elizabeth Blackburn School of Sciences and the Gene Technology Access Centre at University High School.

(3) What conversations have the Minister and ministerial staff had with the University High School Principal and School Council President before announcing the change to the school's zone boundary.

11874 QUESTION ON NOTICE

Ms Sandell to ask the Minister for Energy, Environment and Climate Change —

With reference to horse training taking place on the Belfast Beach reserve area, destroying the Hooded Plover colony and inflicting damage on other species and native vegetation, and noting that molesting and disturbing protected wildlife is an offence under the *Wildlife Act 1975*:

(1) What is the Minister doing in response to this urgent threat to the endangered Hooded Plover.

(2) Will the Government apply an immediate moratorium on commercial horse training occurring in the Belfast Beach reserve.

(3) Will the Minister convert the reserve to a Coastal Park, so that Parks Victoria could provide regulatory oversight that would prevent the misuse of this resource.

QUESTIONS ON NOTICE — No 84

Thursday 27 October 2016

11895 QUESTION ON NOTICE

Mr Clark to ask the Minister for Public Transport —

With reference to the railway crossing at Union Road in Surrey Hills:

- (1) What is the standard elapsed time between the activation of warnings (lights and bells) and the lowering of the boom gates at the Union Road crossing.
- (2) What is the average standard elapsed time between the activation of warnings (lights and bells) and the lowering of the boom gates at crossings on the metropolitan rail network.
- (3) What is the posted speed limit for up trains between Mont Albert and Chatham.
- (4) What is the posted speed limit for down trains between Chatham and Mont Albert.

11896 QUESTION ON NOTICE

Mr Bull (Gippsland East) to ask the Minister for Mental Health —

What direct action is the Minister taking to address the drug overdose crisis in rural Victoria as highlighted by the Penington Institute's Australia's Annual Overdose Report 2016.

11897 QUESTION ON NOTICE

Mr Bull (Gippsland East) to ask the Minister for Mental Health —

What specific programs has the Minister implemented to address the 141 per cent increase, between 2004 and 2014, in accidental deaths due to drug overdose for Aboriginal people compared with the 45 per cent increase among non-Aboriginal people.

11898 QUESTION ON NOTICE

Mr Bull (Gippsland East) to ask the Minister for Mental Health —

What plans does the Minister have, over and above the 20 bed facility in the Grampians, to meet the growing demand for public drug and alcohol rehabilitation beds.

11899 QUESTION ON NOTICE

Mr Bull (Gippsland East) to ask the Minister for Mental Health —

What plans does the Minister have to address concerns raised in recent media reports, including a *4 Corners* report, over the lack of regulation governing private drug and alcohol rehabilitation facilities and to end what many are calling dodgy facilities that are taking advantage of vulnerable families.

11900 QUESTION ON NOTICE

Mr Bull (Gippsland East) to ask the Minister for Consumer Affairs, Gaming and Liquor Regulation —

With reference to private drug and alcohol rehabilitation facilities, such as Get Off Drugs Naturally which was subject to Consumer Affairs Victoria action for misleading the public, and noting the many claims of rip-offs and preying on vulnerable families at other centres in a sector that remains unregulated, has the Minister ordered a review of private facilities to ensure basic standards are being met.

11901 **QUESTION ON NOTICE**

Mr Bull (Gippsland East) to ask the Minister for Consumer Affairs, Gaming and Liquor Regulation —

With reference to the recent *4 Corners* exposé which made several concerning allegations against various private drug and alcohol rehabilitation service providers, including the Hader clinic, has the Minister taken any action to have these matters investigated.

11902 **QUESTION ON NOTICE**

Mr Bull (Gippsland East) to ask the Minister for Housing, Disability and Ageing —

Will the Minister commit to financially supporting the Victorian Hearing Aid Bank, which assists many low income earners to access hearing aids when they would otherwise be unable to.

11903 **QUESTION ON NOTICE**

Mr Bull (Gippsland East) to ask the Minister for Housing, Disability and Ageing —

What supports will the Government offer Victorians who require support to manage hearing loss and will not be supported by the National Disability Insurance Scheme.

11904 **QUESTION ON NOTICE**

Mr Bull (Gippsland East) to ask the Minister for Public Transport for the Minister for Agriculture —

Why is the Minister allowing decisions to be made on removal of coupes from harvesting schedules when the Minister has said that VicForests will not be allowed to make decisions on timber sale agreements until the Forest Industry Taskforce has provided clear recommendations.

11905 **QUESTION ON NOTICE**

Mr Bull (Gippsland East) to ask the Minister for Mental Health —

With reference to Victoria's massive budget surplus and the Government's decision to only fund 12 of the 40 applications made by local communities under the Community Ice Action Grants Scheme, why has the Government turned its back on the other 28 Victorian communities that were proactive about taking action.

11906 **QUESTION ON NOTICE**

Mr Bull (Gippsland East) to ask the Minister for Mental Health —

Why has the Minister not committed to re-funding successful community programs which were funded in 2015 under the Community Ice Action Grants program, and which have had their funding cut and now face program closures.

11907 **QUESTION ON NOTICE**

Mr Bull (Gippsland East) to ask the Minister for Public Transport for the Minister for Agriculture —

With reference to the recent Brickworks annual report, which states the East Gippsland facilities will be closed if it cannot secure an acceptable log contract, will the Minister stop waiting for the Forest Industry Taskforce to reach a decision and immediately provide longer term security of supply to the local timber industry.

11908 **QUESTION ON NOTICE**

Ms McLeish to ask the Minister for Roads and Road Safety —

With reference to the recently constructed roundabout at the corner of High and Chenery Streets in Mansfield:

- (1) What was the total cost of construction for this roundabout.
- (2) What costs were borne by VicRoads.
- (3) What costs were borne by the Mansfield Shire.

11909 **QUESTION ON NOTICE**

Ms McLeish to ask the Minister for Roads and Road Safety —

With reference to the recently constructed roundabout at the corner of Highett and Malcolm Streets in Mansfield:

- (1) What was the total cost of construction for this roundabout.
- (2) What costs were borne by VicRoads.
- (3) What costs were borne by the Mansfield Shire.

11910 **QUESTION ON NOTICE**

Mr Wakeling to ask the Minister for Education —

With reference to the Department of Education and Training's 2016/17 Planned Maintenance Program, and the 501 schools included in the program:

- (1) Have any of the schools had buildings identified as surplus to requirement based on enrolment data trends.
- (2) Which schools will have buildings demolished as part of the program, and for each of these schools:
 - (a) what number of buildings are scheduled to be demolished;
 - (b) what is the expected cost of demolition.
- (3) Which schools will have buildings replaced as part of the program, and for each of these schools:
 - (a) what number of buildings are scheduled to be replaced;
 - (b) what is the expected cost of replacement.
- (4) What is the remaining funding for maintenance as part of the program for each school project once demolition and/or replacement costs are factored in.

11911 **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Public Transport for the Minister for Agriculture —

With reference to the Sustainable Hunting Action Plan announced in April 2016:

(1) Is the Government taking steps to finalise the Plan before the Inquiry into the Control of Invasive Animals on Crown Land has had a chance to report back its recommendations.

(2) Does this mean the Inquiry will not have any effect on recreational hunting in Victoria.

(3) How much of the funding of \$5.33 million for the plan is being given to recreational hunters such as the Australian Deer Association and what is that money being used for.

11912 **QUESTION ON NOTICE**

Mr Hibbins to ask the Minister for Public Transport —

With reference to the introduction of the new route 58 tram, what will be the changes to service frequency on:

(1) Toorak Road.

(2) Any other tram route that uses St Kilda Road.

QUESTIONS ON NOTICE — No 85

Tuesday 8 November 2016

11933 QUESTION ON NOTICE

Ms Britnell to ask the Minister for Housing, Disability and Ageing —

How many Department of Health and Human Services public housing properties in the electorate of South-West Coast are currently vacant and have been vacant for more than three months.

11934 QUESTION ON NOTICE

Mr Bull (Gippsland East) to ask the Minister for Public Transport for the Minister for Agriculture —

With reference to the Department of Economic Development, Jobs, Transport and Resources' regulation of noxious weeds on private property throughout the Gippsland East electorate:

(1) Since 1 January 2015, how many land management notices and directions notices have been issued to landholders in East Gippsland.

(2) For which noxious weeds were these land management notices issued and how many for each specific weed.

(3) Since 1 January 2015, how many fines have been issued to landholders who have failed to comply with land management notices and directions notices.

11935 QUESTION ON NOTICE

Mr Wakeling to ask the Minister for Education —

With reference to the Doctors in Secondary Schools program:

(1) Will new and refurbished GP consultation facilities provided through the Doctors in Secondary Schools program be excluded from the school's facilities entitlement count.

(2) Will ongoing maintenance, utilities and cleaning costs for new and refurbished GP consultation facilities be provided in addition to the school's regular Student Resource Package Entitlement.

(3) How many 2 Mod and 5 Mod relocatable buildings are expected to be ordered for construction, and at what cost.

11936 QUESTION ON NOTICE

Mr Wakeling to ask the Minister for Education —

With reference to the Doctors in Secondary Schools program:

(1) Will patients be fully bulk billed through Medicare for every consultation.

(2) Will a Medicare card need to be presented at the time of consultation.

- (3) What models of billing are available, and what role will primary healthcare services play in the billing process.
- (4) Will consultation fees be charged according to the Medicare Benefits Schedule.
- (5) Will the visiting doctor receive 100 per cent of the Medicare Benefits Schedule fee and will this be collected on their behalf by the primary healthcare service they represent.
- (6) Will program coordinators process payments through Medicare and/or other billing methods.

11937 **QUESTION ON NOTICE**

Mr Wakeling to ask the Minister for Education —

With reference to the Doctors in Secondary Schools program and the output initiatives listed in the Victorian Budget 2016/17 Budget Paper No 3, page 61, Table 1.14:

- (1) Is funding for the program recurrent and ongoing beyond the forward estimates.
- (2) What is the reason for the variance in funding across each financial year.
- (3) Does funding for the program relate to the employment of doctors only.
- (4) Does funding for the program relate to the employment of coordinators only.
- (5) Does funding for the program relate to the employment of nursing staff only.
- (6) Does funding for the program relate to program coordination only.
- (7) What is the quantum of funding budgeted for program coordinator training.

11938 **QUESTION ON NOTICE**

Mr Wakeling to ask the Minister for Education —

With reference to the Doctors in Secondary Schools program:

- (1) With reference to the Victorian Budget 2016/17 Budget Paper No 3, p 189, and the schools allocated a nurse through the Secondary School Nursing program:
 - (a) will this program be expanded beyond the stated target of 193 in 2016/17 to help achieve the aims of the Doctors in Secondary Schools program with the program's expansion in 2017 and 2018;
 - (b) what is the level of funding for the Secondary School Nursing program over the forward estimates from 2016/17;
 - (c) what additional training will nurses participating in the Secondary School Nursing program receive as part of the Doctors in Secondary Schools program;
 - (d) will funding for training come from the Doctors in Secondary Schools program or the Secondary School Nursing program.
- (2) Will a Lead Teacher, as a Doctors in Secondary Schools program coordinator, be expected to perform the role of nurse where a school is not part of the Secondary School Nursing program.

11939 **QUESTION ON NOTICE**

Mr Walsh to ask the Minister for Public Transport for the Minister for Agriculture —

With reference to the Horticulture Innovation Fund:

- (1) What is the total number of grant applications received since the Fund's commencement.
- (2) How many of the applicants were:
 - (a) individual horticulture businesses;
 - (b) not for profit organisations;
 - (c) research organisations.
- (3) What is the total number of grants awarded since the Fund's commencement.
- (4) How many of the grants have been awarded to:
 - (a) individual horticulture businesses;
 - (b) not for profit organisations;
 - (c) research organisations.
- (5) What is the total amount the Fund has paid out in grants since the program's commencement.
- (6) How much remains in the Fund.
- (7) What is the administration cost of the Fund.
- (8) How will the Fund's efficacy be evaluated.

QUESTIONS ON NOTICE — No 86

Wednesday 9 November 2016

11960. QUESTION ON NOTICE

Mr Blackwood to ask the Minister for Roads and Road Safety —

(1) Has VicRoads approached the Minister or the Department of Economic Development, Jobs, Transport and Resources seeking the termination of all Solo Driving Assessments in Victoria.

(2) Does the Government have any plans to review the use of Solo Driving Assessments in the future.

(3) Does the Government have any plans to outsource Driver Licensing Assessments to third party operators other than VicRoads.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS ON NOTICE — No 87

Thursday 10 November 2016

11981 **QUESTION ON NOTICE**

Mr Hodgett to ask the Minister for Public Transport —

With reference to the proposed Lyndhurst bus route along streets such as Freshwater and Marriott Boulevards:

- (1) Has Public Transport Victoria undertaken any formal consultation with Lyndhurst residents; if so:
 - (a) what form did it take;
 - (b) how many submissions were received:
 - (i) verbally;
 - (ii) in writing;
 - (c) what date did formal consultation close.
- (2) Have any further representations been received; is so, how many were from:
 - (a) residents;
 - (b) corporate or non-profit entities;
 - (c) non-local resident individuals.
- (3) What basis is there for suggesting that the City of Casey has approved or agreed to this route.
- (4) Apart from residents, was any other individual or entity consulted; if so, who.
- (5) Does an alternative route along Lyndhurst Boulevard exist; if so, why has it not been chosen.
- (6) Is the corner of Thompsons Road and Westernport Highway to be served.
- (7) Will Public Transport Victoria reconsider the streets to be used as the route.
- (8) What date will the new bus route commence.
- (9) How many trips are proposed on:
 - (a) weekdays;
 - (b) Saturdays;
 - (c) Sundays.
- (10) What steps will be taken to protect waterbirds crossing streets such as Marriott Boulevard.

11982 **QUESTION ON NOTICE**

Ms Sandell to ask the Attorney-General —

With reference to the Melbourne Metro Project:

- (1) What laws and regulations govern how residents and property owners will be compensated for damage or loss arising from the construction of the Melbourne Metro Project.
- (2) What laws and regulations govern how residents and property owners will be compensated for damage or loss arising from the operation of the Melbourne Metro Project.

(3) What statute of limitations applies under the applicable laws and regulations regarding compensation to affected parties due to losses and damage arising from the construction and operation of the Melbourne Metro Project.

11983 **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Education —

With reference to overcrowding at North Melbourne Primary School:

(1) How many students were enrolled at the school at the beginning of term four in 2016 and what is the permanent capacity and the total capacity of the school.

(2) What was the spare capacity for the school at the beginning of term four 2016.

(3) How many potential students have been denied enrolment at the school due to overcrowding since term one 2014 and how many of these students were allowed to be enrolled following an appeal of the decision.

(4) How many portable classrooms has the school received since January 2014.

(5) Are all the portable classrooms at the school currently being used as teaching and learning spaces and are they adequately resourced.

11984 **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Resources —

With reference to the two mineral sands mines and processing plant proposed for Glenaladale and Mossiface in East Gippsland:

(1) What is the current status of the mines.

(2) What will the Government do to ensure that vegetable growers, farmers and community members are not adversely affected by dust, run-off and other impacts of these mines, given that they are close to prime agricultural land.

11985 **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Aboriginal Affairs —

With reference to the Nowa Nowa community and Traditional Owners in East Gippsland, what will the Government do to ensure Aboriginal cultural heritage sites are not disturbed or adversely affected by the iron ore mine proposed in East Gippsland.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS ON NOTICE — No 88

Tuesday 22 November 2016

12006 QUESTION ON NOTICE

Ms McLeish to ask the Minister for Emergency Services —

(1) With reference to trials undertaken in 2011 on the community alert siren located in Steels Creek Road, Steels Creek:

- (a) what improvements have been made to the siren since the trials;
- (b) what decibel readings were recorded at 1 metre for 1 watt for each speaker;
- (c) were any decibel readings recorded inside residential houses;
- (d) were any decibel readings conducted on Brennan Avenue and/or Old Kinglake Road; if so, what were those readings;
- (e) how many watts per channel are the amplifiers capable of;
- (f) what is the battery capacity to allow extended run time;
- (g) when was the complete siren installation last tested by the Country Fire Authority (CFA).

(2) With reference to the CFA's responsibilities in operating the alert siren located in Steels Creek Road, Steels Creek:

- (a) what responsibilities does the CFA have in maintaining the siren;
- (b) can the siren be activated remotely by the CFA's Incident Controller;
- (c) how long does it take for the siren to be activated following a 000 report;
- (d) has the CFA or the Government investigated the installation of alternative sirens;
- (e) has the CFA or the Government investigated amplifying the volume of the current siren.

12007 QUESTION ON NOTICE

Mr Thompson (Sandringham) to ask the Minister for Public Transport —

With reference to the ongoing vandalism of the historic Bridge Street Hampton railway bridge with recurrent graffiti attacks:

- (1) Who is responsible for the removal of graffiti from the bridge.
- (2) Are other clean-up options available through the Office of Corrections.
- (3) What actions can be immediately taken and programmed on a recurrent basis to keep the bridge graffiti free.

12008 QUESTION ON NOTICE

Mr Thompson (Sandringham) to ask the Minister for Public Transport —

With reference to track maintenance issues on the Frankston Line, particularly the long awaited repair of a faulty and noisy rail joint proximate to Heather Grove Cheltenham which has not been fixed for six months, when will this repair be completed.

12009 QUESTION ON NOTICE

Mr Thompson (Sandringham) to ask the Minister for Education —

With reference to the reinvestment in the Beaumaris Secondary School and local community interest in tree conservation, is there a vegetation protection overlay which covers part or all of the site, taking into account educational and sporting uses.

12010 **QUESTION ON NOTICE**

Mr Thompson (Sandringham) to ask the Minister for Public Transport —

With reference to the proposed works at Cheltenham Station and the interest of the Friends of the Cheltenham and Regional Cemeteries Incorporated group in retaining the historic features of the Cheltenham Station infrastructure:

- (1) What steps can the Government and the Level Crossing Removal Authority take to ensure that the local history of the Cheltenham Station is protected and retained as a legacy for future generations.
- (2) Will the Minister appoint a local working committee to further explore appropriate options in concert with the Level Crossing Removal Authority.

12011 **QUESTION ON NOTICE**

Mr Thompson (Sandringham) to ask the Minister for Education —

With reference to the proposed redevelopment of the Beaumaris High School site and the interest of local environment and conservation groups in conserving indigenous fauna and flora within an important wildlife precinct:

- (1) What measures are proposed to protect indigenous microbats, frogs, birds, possums, lizards and other wildlife within the local heathlands.
- (2) What plans have been developed to manage the crown land in an ecologically sustainable manner while supporting the development of the new school.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS ON NOTICE — No 89

Wednesday 23 November 2016

12032 **QUESTION ON NOTICE**

Mr Battin to ask the Minister for Emergency Services —

(1) What is the current number and type of Country Fire Authority (CFA) appliances and vehicles currently not operational.

(2) What is the current number and type of vehicles and appliances not deployed across Victoria in their intended location.

12033 **QUESTION ON NOTICE**

Mr Battin to ask the Minister for Emergency Services —

With reference to Country Fire Authority (CFA) vehicles and appliances:

(1) What was the total procurement in 2015/16.

(2) What is the estimated total procurement in 2016/17.

(3) What is the total number aged 20 or more years old.

12034 **QUESTION ON NOTICE**

Mr Battin to ask the Minister for Water —

With reference to the Victorian Desalination Plant's various waste streams specific to the desalination process from January to November 2016:

(1) How much waste was produced and what was their respective waste stream.

(2) In which landfills were these waste streams disposed.

12035 **QUESTION ON NOTICE**

Mr Battin to ask the Minister for Water —

With reference to the Victorian Desalination Plant's various waste streams specific to the desalination process, what are the appropriate landfills licensed to take each stream in Victoria.

12036 **QUESTION ON NOTICE**

Mr Battin to ask the Minister for Planning —

With reference to the Victorian Desalination Plant's various waste streams specific to the desalination process from January to November 2016:

(1) How much waste was produced and what was their respective waste stream.

(2) In which landfills were these waste streams disposed.

12037 QUESTION ON NOTICE

Mr Battin to ask the Minister for Planning —

With reference to the Victorian Desalination Plant's various waste streams specific to the desalination process, what are the appropriate landfills licensed to take each stream in Victoria.

12038 QUESTION ON NOTICE

Mr Battin to ask the Minister for Energy, Environment and Climate Change —

With reference to the Victorian Desalination Plant's various waste streams specific to the desalination process from January to November 2016:

- (1) How much waste was produced and what was their respective waste stream.
- (2) In which landfills were these waste streams disposed.

12039 QUESTION ON NOTICE

Mr Battin to ask the Minister for Energy, Environment and Climate Change —

With reference to the Victorian Desalination Plant's various waste streams specific to the desalination process, what are the appropriate landfills licensed to take each stream in Victoria.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS ON NOTICE — No 90

Thursday 24 November 2016

12060 **QUESTION ON NOTICE**

Mr Thompson (Sandringham) to ask the Minister for Education —

With reference to reinvestment in the new Beaumaris Secondary School:

(1) What site context plans have been developed with the adjoining kindergarten.

(2) Taking into account the height of the boundary fencing or protective netting that may be required, are there plans for the installation of protective fencing to preclude straying cricket balls landing in the kindergarten playground.

12061 **QUESTION ON NOTICE**

Mr Hodgett to ask the Minister for Public Transport —

(1) What was the cost of rail replacement road coach hire between Geelong and Warrnambool or any intermediate stations between Tuesday 15 November and Sunday 20 November 2016 inclusive.

(2) How many return scheduled V/Line train trips were replaced by road coaches.

(3) How many individual road coach trips occurred in the:

(a) up direction;

(b) down direction.

(4) What was the cost of repairs or maintenance to the Darlington Road, Gnotuk level crossing that was operating with a reduced warning time of an approaching train for road users.

12062 **QUESTION ON NOTICE**

Mr Hodgett to ask the Minister for Public Transport —

With reference to Yarra Trams routes 3 and 67:

(1) How many tram faults occurred on each route between Monday 21 November and Wednesday 23 November 2016 inclusive.

(2) How many timetabled inbound tram trips on each route were deviated to operate along Fitzroy Street as a result of faults with trams.

(3) How many timetabled outbound tram trips on each route were deviated to operate along Fitzroy Street as a result of faults with trams.

12063 **QUESTION ON NOTICE**

Mr Hodgett to ask the Minister for Public Transport —

With reference to V/Line's Albury, Ararat, Bairnsdale, Echuca and Swan Hill lines:

(1) When will each line receive additional train frequencies on:

- (a) weekdays;
- (b) Saturdays;
- (c) Sundays.

(2) How many return trips are proposed for each line.

12064 **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Energy, Environment and Climate Change —

With reference to the Government's response to the damage being caused by commercial horse training along beaches between Warrnambool and Port Fairy:

(1) Why has the Minister chosen not to establish the Belfast Coastal Reserve as a coastal park.

(2) When will the conditions of the licences be released to the public and will there be public consultation on the conditions.

(3) What will be the process for receiving licence applications and issuing licences, and what will be the annual fee for licences.

(4) How will licensing conditions be enforced.

(5) With reference to the Land Manager responsible for overseeing the use of the beaches:

- (a) how will the Land Manager be supported to fulfil these significant extra duties;
- (b) will the Land Manager be employed for extra hours;
- (b) will more staff be employed.

(6) Will new resources be given to Parks Victoria for protection of the Hooded Plover and other shorebirds and for compliance and enforcement activities or will the licences self-regulate.

(7) What will be the penalty system for commercial horse trainers who breach the conditions of their license.

(8) Will the Warrnambool Racing Club be the sole licensee for the activity; if not, how many licences will be granted.

(9) With reference to the Order under the *Crown Land (Reserves) Act 1978* granting licences over the beaches between Warrnambool and Port Fairy indicating that licences are for no more than two years, is that a sunsetting of the licence or will the licence be reviewed before renewal.

(10) With reference to the proposed car park and other horse training infrastructure at East Beach:

- (a) will an Environmental Effects Statement be prepared;
- (b) will a permit be sought under the *Coastal Management Act 1995*;
- (c) what public consultation process is planned.

(11) How did the Minister determine that 65 horses galloping along the beaches and in the dunes would not cause disturbance or harm to shorebirds.

(12) With reference to the figure of 250 horses using the Belfast Coastal Reserve:

- (a) was the figure determined by data collected first hand by departmental officers or collected from the racing industry;
- (b) did this number include horses at Lady Bay, which is not in the reserve.

12065 **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Racing —

With reference to commercial horse training along beaches between Warrnambool and Port Fairy:

- (1) Why is the Government allowing racehorses to use local beaches when the Government is also providing \$600,000 towards the Warrnambool Racing Club's new sand fibre racing track, providing a purpose-built facility for horses to train in sand.
- (2) Could the new purpose-built facility at the Warrnambool Racing Club provide a deep sand training track that simulates beach training, as is being developed at the Ballarat Turf Club.
- (3) What undertaking has been made by the Warrnambool Racing Club to ensure that the training is conducted according to Occupational Health and Safety standards.
- (4) What efforts have been made by the Warrnambool Racing Club to prevent incidents with regards to public safety and to monitor the behaviour of the trainers and their riders towards the public.
- (5) How will the Warrnambool Racing Club prevent a recurrence of the two horse deaths that occurred during training in the dunes at Levys Beach.
- (6) How will the Warrnambool Racing Club ensure that no thrown horse shoes with nails are left on the beaches.

12066 **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Public Transport for the Minister for Agriculture —

With reference to the contribution of dingos to biodiversity conservation and the Government's decision to reinstate the Wild Dog Bounty in 2017:

- (1) Is the Governor in Council order which limited wild dog control to within three kilometres of the interface between public and private land within designated parts of the state being adequately enforced and is the Government reviewing this three kilometre control area.
- (2) What evidence is there that the Wild Dog Bounty is an effective means of controlling wild dog populations.
- (3) How does the Wild Dog Bounty impact on other species and the local environment.
- (4) Why is the Government making such a financial investment in controlling wild dogs when other animal species such as wild deer arguably pose a greater threat to biodiversity and environmental management.

12067 **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Planning —

With reference to Crown Land granted to the West Melbourne Baptist Church at 621 King St, West Melbourne on 1 October 1866, the Church's intention to build apartments on the site on land that was awarded under an original Crown Grant, the Model Trust Deed 5510 and the *Baptist Union Incorporated Act 1930*:

- (1) Did the process of allowance under the *State Aid to Religion Abolition Act 1871*, which removed restrictions and led to the land being registered in the names of persons who were trustees on behalf of the denomination known as Baptists, require an application to the Governor and publication in the Government Gazette; if not, why not.

(2) Does trust deed 5510 have usage restrictions which represent subsisting conditions under s 42 of the *Transfer of Land Act 1958*.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS ON NOTICE — No 91

Tuesday 6 December 2016

12088 **QUESTION ON NOTICE**

Ms Britnell to ask the Minister for Roads and Road Safety —

With reference to the bridge on Ziegler Parade at Allansford which has been closed for safety reasons following floods in September 2016:

(1) When will the bridge be inspected.

(2) Has the alternative route out of Allansford, including trucks, via Garibaldi Lane been inspected for safety.

(3) Was consideration given to lowering the speed limit on the Princes Highway from 100km/h to account for the increased traffic using the intersection whilst the bridge is closed.

12089 **QUESTION ON NOTICE**

Ms Britnell to ask the Minister for Public Transport —

How many passive level crossings are on the Warrnambool rail line between Waurin Ponds and Warrnambool and are there any plans for upgrades to these level crossings.

12090 **QUESTION ON NOTICE**

Mr Northe to ask the Minister for Housing, Disability and Ageing —

With reference to social housing, including public and community housing:

(1) How many people from outside of the Latrobe City municipality area were relocated to a social housing property within the Latrobe City municipality in the 2016 calendar year and how many of these people were unemployed.

(2) How many people from outside of the Latrobe City municipality area were relocated to a social housing property within the Latrobe City municipality in the 2015 calendar year and how many of these people were unemployed.

(3) How many people from outside of the Latrobe City municipality area were relocated to a social housing property within the Latrobe City municipality in the 2014 calendar year and how many of these people were unemployed.

12091 **QUESTION ON NOTICE**

Ms Britnell to ask the Minister for Housing, Disability and Ageing —

How many Department of Health and Human Services public housing properties in the West Division Western District Area are currently vacant and have been vacant for more than three months.

12092. **QUESTION ON NOTICE**

Mr Clark to ask the Minister for Public Transport —

With reference to bicycle storage facilities:

(1) How many bicycle storage spaces are present at:

- (a) Chatham railway station;
- (b) Surrey Hills railway station;
- (c) Mont Albert railway station;
- (d) Box Hill railway station;
- (e) Laburnum railway station;
- (f) Blackburn railway station;
- (g) Nunawading railway station.

(2) Will a Parkiteer bicycle cage or other bicycle storage enclosure be installed at Blackburn railway station as part of the Blackburn level crossing removal project; if so, how many bicycle storage spaces will it provide.

12093. **QUESTION ON NOTICE**

Mr Wakeling to ask the Minister for Education —

With reference to sites owned by the Department of Education and Training (DET):

(1) What are the locations of each:

- (a) closed government school site;
- (b) site owned by DET for future school provision;
- (c) site declared surplus to educational requirement;
- (d) site owned by DET and leased to external third parties;
- (e) plantation owned by DET;
- (f) unoccupied teacher house.

(2) What is the per annum cost to maintain:

- (a) each closed government school site;
- (b) each site owned by DET for future school provision;
- (c) each site declared surplus to educational requirement;
- (d) each site owned by DET and leased to external third parties;
- (e) each plantation owned by DET;
- (f) each unoccupied teacher house.

(3) What is the per annum cost to secure:

- (a) each closed government school site;
- (b) each site owned by DET for future school provision;
- (c) each site declared surplus to educational requirement;
- (d) each site owned by DET and leased to external third parties;
- (e) each plantation owned by DET;
- (f) each unoccupied teacher house.

12094. **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Energy, Environment and Climate Change —

Will the Victorian Renewable Energy Target (VRET) include burning biomass as a form of renewable energy and will this type of energy generation be counted towards the VRET.

12095 **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Housing, Disability and Ageing —

With reference to annual reports from the Department of Human Services in 2010–11, 2011–12, 2012–13 and 2013–14 and from the Department of Health and Human Services in 2014–15:

(1) Is the writing down of land and house sales a regular practice in how the Department manages housing stock and what is the reason for the extent of asset disposal since 2010.

(2) Why has rental revenue declined in the annual reports above.

(3) What items or costs are debited from reported rental income.

(4) With reference to the profits remaining once costs are deducted from gross rental revenue, has the profit remained with the Department of Health and Human Services or has it been channelled into general Government revenue.

12096 **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Housing, Disability and Ageing —

Will the Government reinstate the annual publication titled *Summary of Housing Assistance Programs* which was produced by the Department of Human Services (DHS) under previous Governments and which provided extensive information on the activities of the Housing and Community Building Division which was not covered in DHS annual reports.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS ON NOTICE — No 92

Wednesday 7 December 2016

12117. **QUESTION ON NOTICE**

Mr Hodgett to ask the Minister for Public Transport —

(1) Was the cancellation of the 9.46 am Laverton to Newport train on 5 December 2016 due to a late-running previous train using the Altona Loop; if so:

- (a) from what station and at what scheduled time did any the previous late-running train originate;
(b) how late was the previous late-running train at Altona.

(2) By what percentage are cancellations on the Newport–Laverton via Altona line expected to reduce once the small duplication near Newport South Junction is commissioned.

12118. **QUESTION ON NOTICE**

Mr Hodgett to ask the Minister for Public Transport —

(1) On 7 December 2016, did the weekday 7.24 am up Carrum service depart South Yarra Station at approximately 8.13 am and one second, rather than the scheduled time of 8.14 am.

(2) What steps have been taken by Public Transport Victoria and Metro Trains Melbourne to ensure that train drivers do not depart stations early.

12119. **QUESTION ON NOTICE**

Mr Hodgett to ask the Minister for Public Transport —

With reference to the tram fault affecting route 86 trams in High Street at around 8.25 am on 7 December 2016:

- (1) What was the nature of the fault.
(2) How many trams were delayed and in which direction.
(3) What was the maximum delay in each direction.
(4) What steps is Yarra Trams taking to minimise such faults.

12120. **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Education —

What is the rationale for not making the proposed new school in Docklands primary and secondary.

12121. **QUESTION ON NOTICE**

Ms Sandell to ask the Minister for Education —

With reference to the recently announced rezoning of University High, will the school receive additional resources for its extra rezoning.

12122 QUESTION ON NOTICE

Ms Sandell to ask the Minister for Housing, Disability and Ageing —

With reference to disabled parking at public housing estates in North Melbourne and Carlton:

- (1) What entity is responsible for providing sufficient spaces.
- (2) How often is the suitability and availability of spaces reviewed.
- (3) Are there plans to provide more spaces in the 12 months from December 2016.

QUESTIONS ON NOTICE — No 93

Thursday 8 December 2016

12143 QUESTION ON NOTICE

Mr Smith (Kew) to ask the Premier —

With reference to the Member for Footscray's office on the 36th floor of the Department of Economic Development, Jobs, Transport and Resources and the Member's overseas travel accompanying the Premier:

- (1) Who approved the office and overseas travel.
- (2) What is the cost of the office and overseas travel.
- (3) Under which departmental budget are the office and overseas travel paid for.
- (4) Have resources been diverted from Minister Dalidakis' Ministerial Office to pay for these arrangements.
- (5) What airline class has the Member for Footscray travelled in on each trip taken with the Premier.

12144 QUESTION ON NOTICE

Mr Smith (Kew) to ask the Premier —

With reference to the Premier's indication in Questions Without Notice on 7 December 2016 that the Member for Footscray has an office on the 36th floor (the Ministerial level) of the Department of Economic Development, Jobs, Transport and Resources and has travelled with the Premier on overseas trips because she is a former Minister:

Have the following former ministers been afforded these or similar privileges:

- (1) The former Minister for Small Business, Innovation and Trade the Hon Adam Somyurek MLC.
- (2) The former Minister for Training and Skills and former Minister for Corrections, the Hon Steve Herbert MLC.
- (3) The former Minister for Emergency Services and former Minister for Consumer Affairs, Gaming and Liquor Regulation, the Hon Jane Garrett MP.

12145 QUESTION ON NOTICE

Mr Smith (Kew) to ask the Minister for Roads and Road Safety —

With reference to a Victorian Labor media release on the Chandler Highway Bridge Upgrade from 16 June 2014 stating that 'Plans drawn up by the previous Labor Government will finally be realised with works to start immediately on coming to Government':

- (1) When will works finally start on the Bridge Upgrade.
- (2) Will there be permanent clearways on the stretch of Princess Street, Kew from Wilsmere Street to the Chandler Highway.

(3) When will a detailed traffic management plan for the construction phase of the project be released.

12146. **QUESTION ON NOTICE**

Mr Smith (Kew) to ask the Premier —

With reference to the Member for Footscray's office on the 36th floor of the Department of Economic Development, Jobs, Transport and Resources and taxpayer-funded travel with the Premier on overseas trips:

Have the following backbench government members been afforded the same privileges:

- (1) The Member for Pascoe Vale.
- (2) The Member for Sunbury.
- (3) The Member for Geelong.
- (4) The Member for Oakleigh.
- (5) The Member for Frankston.
- (6) The Member for Bendigo West.
- (7) The Member for Thomastown.
- (8) The Member for Buninyong.
- (9) The Member for Carrum.
- (10) The Member for Essendon.
- (11) The Member for Cranbourne.
- (12) The Member for Mordialloc.
- (13) The Member for Bentleigh.
- (14) The Member for St Albans.
- (15) The Member for Northern Metropolitan, Mr Nazih Elasmr MLC.
- (16) The Member for Western Metropolitan Region, Mr Cesar Melhem MLC.

12147. **QUESTION ON NOTICE**

Mr Smith (Kew) to ask the Minister for Energy, Environment and Climate Change —

With reference to the Minister's response to my question in the Assembly during Consideration in Detail on the Energy Legislation Amendment (Feed-in Tariffs and Improving Safety and Markets) Bill 2016 on 24 November 2016 on the social cost of higher power prices for non-solar customers:

- (1) How has the Government defined social cost.
- (2) When will we know how much the social cost will be.

(3) What information has the Government used to calculate a social cost.

12148 **QUESTION ON NOTICE**

Mr Smith (Kew) to ask the Minister for Consumer Affairs, Gaming and Liquor Regulation —

With reference to the process of conveyancing and making the process of lodging section 32 disclosure statements for the sale of a property simpler and more accessible to the public, has the Government considered any amendments to the *Sale of Land Act 1962* to follow the 2014 reforms of the Napthine Government.

12149 **QUESTION ON NOTICE**

Mr Smith (Kew) to ask the Minister for Public Transport for the Minister for Agriculture —

With reference to the English Ivy growing unchecked around Victoria, especially in the Dandenongs and in Studley Park, Kew:

(1) Will the Minister consider recommending English Ivy be declared a noxious weed under s 58 or 58A of the *Catchment and Land Protection Act 1994*.

(2) Will the Minister consider recommending English Ivy be declared a regionally controlled weed under s 62 of the *Catchment and Land Protection Act 1994*.

(3) Will the Minister consider recommending English Ivy be declared a restricted weed under s 63 of the *Catchment and Land Protection Act 1994*.

12150 **QUESTION ON NOTICE**

Mr Smith (Kew) to ask the Minister for Roads and Road Safety —

With reference to the instances of an individual or individuals placing metal tacks on the Yarra Boulevard at Kew, putting the lives of cyclists in danger, what meetings or correspondence has the Minister had regarding this matter with:

(1) The Minister for Police.

(2) The Boroondara Police.

(3) VicRoads.

12151 **QUESTION ON NOTICE**

Ms McLeish to ask the Minister for Roads and Road Safety —

With reference to traffic counts conducted on the Jamieson–Licola Road conducted by VicRoads since and including 2005:

(1) How many counts have been conducted.

(2) At what specific times were those counts undertaken.

(3) What were the results of each count between Jamieson and Licola.

12152 QUESTION ON NOTICE

Ms McLeish to ask the Minister for Roads and Road Safety —

With reference to traffic counts conducted on the Mansfield–Woods Point Road by VicRoads since and including 2005:

- (1) How many counts have been conducted.
- (2) At what specific times were those counts undertaken.
- (3) What were the results of each count between:
 - (a) Jamieson and Kevington;
 - (b) Gaffneys Creek and Woods Point.

12153 QUESTION ON NOTICE

Ms McLeish to ask the Minister for Roads and Road Safety —

With reference to traffic counts conducted on the Warburton–Woods Point Road by VicRoads since and including 2005:

- (1) How many counts have been conducted.
- (2) At what specific times were the counts undertaken.
- (3) What were the results of each count between Woods Point and Matlock.

12154 QUESTION ON NOTICE

Ms McLeish to ask the Minister for Roads and Road Safety —

With reference to the Warburton–Woods Point Road and Marysville–Woods Point Road:

- (1) On how many occasions has VicRoads closed the road between Marysville and Matlock in 2016 and for what purposes.
- (2) On how many occasions has VicRoads closed the road between Marysville and Matlock between 2011 and 2015 inclusive and for what purposes.

12155 QUESTION ON NOTICE

Ms McLeish to ask the Minister for Water —

With reference to the water supply in Woods Point which has been declared non-potable, is the water regularly tested for the purposes of human consumption; if so:

- (1) How often is the water supply tested.
- (2) When was the supply last tested.
- (3) What were the results of that testing.
- (4) When is the next test expected to be completed.

12156. **QUESTION ON NOTICE**

Mr Paynter to ask the Minister for Health —

With reference to the lack of 24 hour emergency and medical care on Phillip Island:

(1) Will the Minister make available the manifest or log book for daily call outs and call outs of the existing ambulances.

(2) How long, in hours, has Phillip Island been without an ambulance physically present on the island in the 12 months to December 2016.
