ASSEMBLY
CHAMBER

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS

NOTICE RECEIVED ON 3 APRIL 1985

- 1 **MR DICKINSON**—To ask the Honourable the Minister for Local Government, in respect of the provisions of the *Nudity (Prescribed Areas) Act 1983*:
 - 1 How many municipalities were approached to set aside dress optional bathing areas.
 - 2 How many and which municipalities indicated their opposition to the location of these areas.
 - 3 What action has been taken, since the proclamation of this legislation, to remove designated areas when requested by the local municipality concerned.
 - 4 Whether the Government will act immediately to revoke the declared area if and when requested by the municipality concerned; if not, why.
 - 5 How many designated nude beaches are currently in the State of Victoria, indicating in which electoral districts these are situated and whether these designated areas have been re-designated during the course of the present legislation.
- 2 **MR DICKINSON**—To ask the Honourable the Minister for Local Government:
 - 1 What are the names of the Members of the Committee presently advising the Government on dress optional bathing areas.
 - 2 Who is responsible for receiving criticisms by members of the public of the dress optional bathing areas, and what action has been taken by the Minister to review complaints since the enactment of this legislation.
- 3 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
 - 1 How many bicycles, television sets, video recorders and stereos have been stolen in the past five years and what was the recovery rate of these items in each year.
 - 2 What was the total value of these stolen goods and what is the value of the stolen articles which to date have not been recovered.
- 4 **MR DICKINSON**—To ask the Honourable the Minister for Transport:
 - 1 Whether the Minister is aware of local pressure amongst retired people for a regular bus service from Aireys Inlet to Anglesea and Geelong.
 - 2 In view of the fact that private enterprise bus lines see the route as uneconomic, what action the Government is prepared to take to assist the running of a regular service for those residents of Aireys Inlet who need public transport.
- 5 **MR DICKINSON**—To ask the Honourable the Premier:
 - 1 What positions paid by the Crown are now held by Labor candidates who unsuccessfully stood for the State election on 2 March 1985, indicating which electoral district each contested.
 - 2 How many Labor candidates held a position in the State Public Service prior to contesting 1985 State election.
 - 3 What new Public Service positions have been made available to former Australian Labor Party candidates.

- 6 **MR DICKINSON**—To ask the Honourable the Minister for Local Government:
- 1 Whether he will undertake an investigative study of opening up access roads in Aireys Inlet, namely Eagle Rock Road, Anderston Street and Aireys Street, to provide emergency escapes in residential areas which were devastated during the Ash Wednesday bushfires.
 - 2 Whether he is aware that the matter has been under consideration for some six years but no action taken, due to pressure from environmental groups who are opposed to the opening up of these roads.
- 7 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
- 1 How many jaws of life are currently held by the State Emergency Services Unit.
 - 2 Whether he contemplates the allocation of additional jaws of life to areas that are geographically isolated and currently cannot be served from major provincial towns where this equipment is available.
 - 3 Whether there are any plans to allocate additional equipment to the Geelong State Emergency Service Unit in the forthcoming financial year.
- 8 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services, what new plant and equipment will be allocated to Country Fire Authority units in the electoral district of South Barwon before June 1985 and in the 1985–86 financial year, respectively.
- 9 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services in respect of the proposed new Geelong Police Complex on the Haymarket Site in Geelong, whether negotiations have been made by the Government for the payment of compensation to the Geelong City Council for the Haymarket site; if so, what are the details; if not, why work has not proceeded for the building of the new police complex on the site.
- 10 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services, when a start will be made on the construction of a Police complex in the Belmont/Grovedale area of the electoral district of South Barwon.
- 11 **MR LIEBERMAN**—To ask the Honourable the Minister for Education, in respect of the comments contained in The Commonwealth Tertiary Education Commission 1985–87 Triennium Report, Volume 1, on sub-standard facilities at colleges, whether there is any Federal (TAFEC) or State (TAFE Board) policy which would inhibit or prevent the spending of Federal or State monies to upgrade, replace, or relocate such sub-standard facilities within the inner urban area.
- 12 **MR DICKINSON**—To ask the Honourable the Minister for Education, for the Honourable the Minister for Conservation, Forests and Lands, in view of the fact that residents of Aireys Inlet are divided as to the location of a recreation reserve to serve the local community, and also about the opening of access roads in the residential areas which would provide emergency escape routes to residents if the area is ever again threatened by bush fires, what action is being taken in conjunction with the Local Government Department to resolve these local difficulties.
- 13 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
- 1 What is the number of permanent and part-time employees, respectively, in the Ministry of Police and Emergency Services.
 - 2 What was the total wages bill for the financial year ended 30 June 1984.
 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.

- 14 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
 - 1 Whether the Minister suggested that the Bellarine Sewerage Authority charge a higher capital contribution for vacant land than for land with buildings; if so, whether this decision was aimed at achieving a higher level of acceptance of the scheme.
 - 2 Whether the Minister required the Authority to levy the contribution at the level suggested.
 - 3 Whether many young couples who have bought land and are saving to build are disadvantaged by this differential funding.
 - 4 Whether the recommended level of contribution discriminates against vacant land owners.
 - 5 Whether the Minister is aware that prior to the Authority giving formal notice of the differential contribution, the Authority conducted a survey amongst land owners which indicated a majority in favour of equal contributions.
 - 6 Whether the Minister is aware of concern among vacant land owners in the area of the Authority that has caused some to sell their properties.
- 15 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
 - 1 Whether there is an in-built inequity where any date of construction is used to distinguish between the amount of contribution land owners must pay.
 - 2 Whether the Minister has authorized the Bellarine Sewerage Authority to make a differential change other than for land with buildings and vacant land to enable a favourable contribution to be paid by the Returned Services League, churches, service groups or other community organizations.
 - 3 Whether consideration has been given to the inequity arising from the period of home ownership or where new homes have had plumbing installed in anticipation of the sewerage scheme.
 - 4 Whether the Minister can give an assurance that prior to settling the sewerage scheme, the Authority will take account of objections to differential funding.
 - 5 Whether the Minister has obtained a legal opinion which confirms the power of a sewerage authority to charge differential funding; if not, whether the Minister will obtain such an opinion.
- 16 **MR DICKINSON**—To ask the Honourable the Minister for Transport what has been the total cost of painting 39 buses belonging to the Geelong Transit Authority since its formation.
- 17 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, whether there are natural levels of fluoride in Geelong's water supplies; if so, whether these levels will be taken into account when calculating the amount of fluoride to be added.
- 18 **MR DICKINSON**—To ask the Honourable the Minister for Education:
 - 1 What is the production cost of the Schools Handbook Project 1985, how many copies will be printed and what is the cost of staff time utilized in its preparation and continued updating.
 - 2 What was the production cost of the 1984 Post Primary Education handbook, how many copies were printed and what was the cost of staff time utilized in its production and continued updating.
 - 3 Whether both publications will be printed annually and at what cost to the Victorian taxpayers.

- 19 **MR DICKINSON**—To ask the Honourable the Minister for Transport what total subsidy per annum has been granted by the Government to private buslines since April 1982.
- 20 **MR DICKINSON**—To ask the Honourable the Treasurer whether there has been a new stand taken by the Administrators of the Insurers Guarantee and Compensation Supplementation Fund and the Workers Supplementation Fund in regard to moneys refunded on certain lump sum payments made to injured workers; if so, what are the details and whether this will lessen the amount refunded from such Funds which in the past have been reimbursed to Insurers who agree to pay the additional amounts on behalf of their clients.
- 21 **MR DICKINSON**—To ask the Honourable the Minister for Education in respect of the Special Teaching Unit and the Geelong Integration Program for intellectually handicapped children into the State education system:
- 1 What action the Government is taking to satisfy the future needs of the 14 intellectually handicapped children who have been participating in the Geelong Integration Program.
 - 2 What resources the Government will provide to ensure these children remain in the integration program.
 - 3 What plans the government has to expand the integration program so that more intellectually handicapped children will have the opportunity to participate.
 - 4 What additional resources the Government will provide to cater for the extra teaching staff and teachers' aides necessary to educate and supervise these children.
- 22 **MR DICKINSON**—To ask the Honourable the Minister for Housing:
- 1 How many homes the Ministry of Housing has purchased under the "spot" purchase plan in the electoral district of Geelong East in the past two years.
 - 2 What was the average price of these homes.
 - 3 What is the present waiting period for Ministry of Housing homes in that electoral district.
- 23 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources:
- 1 What are the locations of all fluoridation plants in the State of Victoria.
 - 2 What is the—(a) capital cost; and (b) annual running costs of each of these plants.
 - 3 What is the per capita cost for every man, woman and child to receive fluoridation of the water supply.
 - 4 What total capital cost has been incurred in the Geelong Water Board district, indicating the details of—(a) money spent to date; and (b) money which will be expended before June, 1985.
 - 5 What is the annual cost of each plant, indicating the cost benefit to people in the Geelong region and the number of people concerned.
 - 6 What action the Minister has taken to review the request by petitioners to the Government requesting a halt of the fluoridation project in the Geelong region.
 - 7 In the event that no action has been taken, whether the Minister will undertake to carry out an education programme and/or listen to any documented scientific papers which throw light on a contrary view that fluoridation is beneficial.
 - 8 How the public can file objections and complaints over the introduction of fluoride into their water supply.

- 9 Whether a study has been made to ascertain if a cost saving would be received by the people of Victoria if fluoridation was removed from all water supplies throughout this State; if so, what are the details.
 - 10 What the cost benefit would be of allowing parents the opportunity of purchasing fluoride from their chemists and administering it to their children as one of the freedoms of choice available to them.
- 24 **MR DICKINSON**—To ask the Honourable the Minister for Transport:
- 1 Whether he has given approval to the Geelong Water Board to construct a sewerage line along the Queenscliff–Clifton Springs railway easement.
 - 2 Whether the Government has called for an environmental impact study in connection with the engineering and works planned for such a sewerage outlet; if not, what steps can be taken to meet these requirements.
- 25 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources:
- 1 What steps the Government has taken to fund the upgrading of the sewerage outfall at Black Rock to meet Environmental Protection Authority requirements.
 - 2 Whether the funds will be provided in the forthcoming financial year; if not, why.
 - 3 In respect of the sewerage line from Clifton Springs–Bellarine, whether the Minister has called for an environmental impact study in connection with the engineering works feasibility study for the Clifton Springs–Bellarine sewerage outfall to be connected with the Geelong Black Rock tank sewer.

QUESTIONS**NOTICES RECEIVED ON 23 APRIL 1985**

- 209 **MR GUDE**—To ask the Honourable the Treasurer:
- 1 Whether he gave the Director-General of Public Works authority to not bring to account all debtors and creditors in the Annual Report of the Public Works Department for the year 1983–84; if so, what were the reasons for his decision.
 - 2 Whether he will assure the Parliament that all such debtors and creditors will be brought to account in the financial year 1984–85 as recommended by the Auditor-General.
- 210 **MR DICKINSON**—To ask the Honourable the Minister for the Arts, for the Honourable the Attorney-General, what action the State Government has taken, in conjunction with the Commonwealth Government, to—(a) prevent the importation and sale of hard-core pornography and grossly obscene publications in the State of Victoria; and (b) register imported pornographic video tapes for non-commercial use with the Film Censorship Board and require the Censor to more appropriately reflect responsible community attitudes.
- 211 **MR DICKINSON**—To ask the Honourable the Minister for Transport, for the Honourable the Minister for Health, in view of the grave difficulties for existing staff members to carry out the aims and ideals of the Community Health Program, what action the Minister is taking to overcome the shortage of nursing staff at the Portarlington and District Community Health Centre.
- 212 **MR BROWN**—To ask the Honourable the Minister for Housing, whether he will provide the names of all persons employed by the Ministry of Housing to conduct public housing surveys during the three-year period up to 15 April 1985, including the date of commencement of each person and the duration of their term of employment, the source of funds to pay these persons and whether any of the persons employed were at the time either previous or present employees of the Ministry of Housing.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS

NOTICES RECEIVED ON 3 APRIL 1985

- 1 **MR DICKINSON**—To ask the Honourable the Minister for Local Government, in respect of the provisions of the *Nudity (Prescribed Areas) Act 1983*:
 - 1 How many municipalities were approached to set aside dress optional bathing areas.
 - 2 How many and which municipalities indicated their opposition to the location of these areas.
 - 3 What action has been taken, since the proclamation of this legislation, to remove designated areas when requested by the local municipality concerned.
 - 4 Whether the Government will act immediately to revoke the declared area if and when requested by the municipality concerned; if not, why.
 - 5 How many designated nude beaches are currently in the State of Victoria, indicating in which electoral districts these are situated and whether these designated areas have been re-designated during the course of the present legislation.

- 2 **MR DICKINSON**—To ask the Honourable the Minister for Local Government:
 - 1 What are the names of the Members of the Committee presently advising the Government on dress optional bathing areas.
 - 2 Who is responsible for receiving criticisms by members of the public of the dress optional bathing areas, and what action has been taken by the Minister to review complaints since the enactment of this legislation.

- 3 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
 - 1 How many bicycles, television sets, video recorders and stereos have been stolen in the past five years and what was the recovery rate of these items in each year.
 - 2 What was the total value of these stolen goods and what is the value of the stolen articles which to date have not been recovered.

- 4 **MR DICKINSON**—To ask the Honourable the Minister for Transport:
 - 1 Whether the Minister is aware of local pressure amongst retired people for a regular bus service from Aireys Inlet to Anglesea and Geelong.
 - 2 In view of the fact that private enterprise bus lines see the route as uneconomic, what action the Government is prepared to take to assist the running of a regular service for those residents of Aireys Inlet who need public transport.

- 5 **MR DICKINSON**—To ask the Honourable the Premier:
 - 1 What positions paid by the Crown are now held by Labor candidates who unsuccessfully stood for the State election on 2 March 1985, indicating which electoral district each contested.
 - 2 How many Labor candidates held a position in the State Public Service prior to contesting the 1985 State election.
 - 3 What new Public Service positions have been made available to former Australian Labor Party candidates.

- 6 **MR DICKINSON**—To ask the Honourable the Minister for Local Government:
 - 1 Whether he will undertake an investigative study of opening up access roads in Aireys Inlet, namely Eagle Rock Road, Anderson Street and Aireys Street, to provide emergency escapes in residential areas which were devastated during the Ash Wednesday bushfires.
 - 2 Whether he is aware that the matter has been under consideration for some six years but no action taken, due to pressure from environmental groups which are opposed to the opening up of these roads.
- 7 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
 - 1 How many jaws of life are currently held by the State Emergency Services Unit.
 - 2 Whether he contemplates the allocation of additional jaws of life to areas that are geographically isolated and currently cannot be served from major provincial towns where this equipment is available.
 - 3 Whether there are any plans to allocate additional equipment to the Geelong State Emergency Service Unit in the forthcoming financial year.
- 8 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services, what new plant and equipment will be allocated to Country Fire Authority units in the electoral district of South Barwon before June 1985 and in the 1985–86 financial year, respectively.
- 9 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services, in respect of the proposed new Geelong Police Complex on the Haymarket Site in Geelong, whether negotiations have been made by the Government for the payment of compensation to the Geelong City Council for the Haymarket site; if so, what are the details; if not, why work has not proceeded for the building of the new Police complex on the site.
- 10 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services, when a start will be made on the construction of a police complex in the Belmont/Grovedale area of the electoral district of South Barwon.
- 11 **MR LIEBERMAN**—To ask the Honourable the Minister for Education, in respect of the comments contained in The Commonwealth Tertiary Education Commission 1985–87 Triennium Report, Volume 1, on sub-standard facilities at colleges, whether there is any Federal (TAFEC) or State (TAFE Board) policy which would inhibit or prevent the spending of Federal or State monies to upgrade, replace, or relocate such sub-standard facilities within the inner urban area.
- 12 **MR DICKINSON**—To ask the Honourable the Minister for Education, for the Honourable the Minister for Conservation, Forests and Lands, in view of the fact that residents of Aireys Inlet are divided as to the location of a recreation reserve to serve the local community, and also about the opening of access roads in the residential areas which would provide emergency escape routes to residents if the area is ever again threatened by bush fires, what action is being taken in conjunction with the Local Government Department to resolve these local difficulties.
- 13 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
 - 1 What is the number of permanent and part-time employees, respectively, in the Ministry of Police and Emergency Services.
 - 2 What was the total wages bill for the financial year ended 30 June 1984.
 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.

- 14 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
 - 1 Whether the Minister suggested that the Bellarine Sewerage Authority charge a higher capital contribution for vacant land than for land with buildings; if so, whether this decision was aimed at achieving a higher level of acceptance of the scheme.
 - 2 Whether the Minister required the Authority to levy the contribution at the level suggested.
 - 3 Whether many young couples who have bought land and are saving to build are disadvantaged by this differential funding.
 - 4 Whether the recommended level of contribution discriminates against owners of vacant land.
 - 5 Whether the Minister is aware that prior to the Authority giving formal notice of the differential contribution, the Authority conducted a survey amongst land owners which indicated a majority in favour of equal contributions.
 - 6 Whether the Minister is aware of concern among owners of vacant land in the area of the Authority that has caused some to sell their properties.
- 15 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
 - 1 Whether there is an in-built inequity where any date of construction is used to distinguish between the amount of contribution land owners must pay.
 - 2 Whether the Minister has authorized the Bellarine Sewerage Authority to make a differential charge other than for land with buildings and vacant land to enable a favourable contribution to be paid by the Returned Services League, churches, service groups or other community organizations.
 - 3 Whether consideration has been given to the inequity arising from the period of home ownership or where new homes have had plumbing installed in anticipation of the sewerage scheme.
 - 4 Whether the Minister can give an assurance that prior to settling the sewerage scheme, the Authority will take account of objections to differential funding.
 - 5 Whether the Minister has obtained a legal opinion which confirms the power of a sewerage authority to charge differential funding; if not, whether the Minister will obtain such an opinion.
- 16 **MR DICKINSON**—To ask the Honourable the Minister for Transport what has been the total cost of painting 39 buses belonging to the Geelong Transit Authority since its formation.
- 17 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, whether there are natural levels of fluoride in Geelong's water supplies; if so, whether these levels will be taken into account when calculating the amount of fluoride to be added.
- 18 **MR DICKINSON**—To ask the Honourable the Minister for Education:
 - 1 What is the production cost of the Schools Handbook Project 1985, how many copies will be printed and what is the cost of staff time utilized in its preparation and continued updating.

QUESTIONS

NOTICES RECEIVED ON 24 APRIL 1985

- 213 **MR STEGGALL**—To ask the Honourable the Minister for Water Resources, further to the Minister's answer to a Question without Notice asked in the Legislative Council on 4 October 1984, in respect of the Mineral Reserve Basin Scheme in Northern Victoria:
- 1 How it is proposed to dispose of 16 000 tonnes of salt per annum in two basins instead of three, and what is the reason for dispensing with the proposed third basin and whether he will lay on the table of the Library the report of the consultants relating to this proposal.
 - 2 Whether the plaintiffs in action No. 9245 of 1981 have been advised of the altered proposal.
 - 3 In view of advice from the consultants, Caldwell Connell Engineers Pty Ltd, that the commercial sale of salt is not viable, what the Commission proposes to do with the salt which it has for years stated it would sell commercially.
 - 4 Whether the Government has now reached a decision in respect of diverting water to Lake Tyrrell in the future; if so, what are the details.
 - 5 Whether the amendment of section 29 of the *Water Act* 1968 passed by Parliament in December 1983 has inhibited and restricted the pre-existing rights of the plaintiffs in the above action.
- 214 **MR STEGGALL**—To ask the Honourable the Minister for Water Resources:
- 1 In view of the Kerang Research Farm calculations that evaporation from a water table at $\frac{1}{2}$ metre is 2 megalitres per year per hectare gross, what calculations the Government has used to justify continuation of the Mineral Reserve Basin Scheme based on the Environmental Effects Statement that evaporation by capillary action from the water table at $\frac{1}{2}$ metre would be 10.5 megalitres per hectare gross per year.
 - 2 Whether the Minister accepts the Environmental Effects Statement in relation to the above figures, and in that event, whether he will ascertain and advise where the salt build up is in the basin area due to the evaporation of highly saline water over the many years the water table has been around $\frac{1}{2}$ metre in the area.
- 215 **MR STEGGALL**—To ask the Honourable the Minister for the Arts, for the Honourable the Attorney-General, in respect of the investigations being conducted by the National Companies and Securities Commission into T.E.A. (1983) Limited—In Liquidation:
- 1 Whether he will ascertain and inform the House whether any shareholder who attended the Annual General Meeting on 1 November 1982, has been required to attend on the National Companies and Securities Commission and give evidence on oath concerning the address of the Chairman and discussions at that meeting.
 - 2 Whether he will ascertain and inform the House when the report by the National Companies and Securities Commission on the failure of the Company, will be released.
 - 3 Why the report on insider trading, which the Minister has had since December 1983, has not been released and when the Minister proposes to do so.
 - 4 Whether the Attorney-General will prosecute actions in respect of insider trading, against all officers and employees of the Company who attempted to dispose of shares in the fortnight prior to the announcement of receivership, that is, the period from 1 May 1983 to 12 May 1983.

- 5 Whether the Minister is aware that Mr Yeo, an employee of the Company, and shareholder through a Trust, disposed of shares in that period and later re-purchased same from the buying broker; if so, whether Mr Yeo will be prosecuted.
- 6 Whether Sir Roderick Proctor, a shareholder and director of Theo Rod Pty Ltd and a director of the Queensland Board, who sold shares in the period 1 May to 12 May 1983, and subsequently re-purchased them from the buying broker, will be prosecuted.
- 7 Whether the Minister is prepared to assist the unfortunate shareholders of T.E.A. (1983) Limited—In Liquidation, by introducing legislation to relieve them of the liability to pay a call in view of the complicated legal issues raised by the Second Schedule to the *Trustee Companies Act 1958* relating to T.E.A. (1983) Limited.
- 216 **MR DELZOPPO**—To ask the Honourable the Minister for Education, in view of the fact that the number of students at Tottenham Technical School has fallen from a peak of 1200 students some years ago to 282 at present, whether the maintenance grant, building and equipment grant and number of ancillary staff, has been reduced to reflect the present number of students or whether the school has continued to enjoy the same benefits as it did when the number was over 1000.
- 217 **MR HANN**—To ask the Honourable the Minister for Industry, Technology and Resources:
- 1 What was the total amount of financial assistance provided to dairy processing and manufacturing companies in Victoria under the “approved decentralized industry incentive scheme” for each of the financial years from 1980–81 to 1983–84, inclusive.
 - 2 Which incentives are to be withdrawn from these companies and what will be the total cost to the above industries of the loss of these benefits.
- 218 **MR RICHARDSON**—To ask the Honourable the Premier:
- 1 What action the Government is taking to improve, safeguard and manage the Victorian economy.
 - 2 What action the Government is taking to improve, maintain, diversify and manage the public transport system in Victoria, particularly the publicly and privately owned bus services, tram services and train services in the metropolitan area, provincial cities, towns and rural districts within the State.
 - 3 What action the Government is taking to improve industrial relations in Victoria.
 - 4 What action the Government has taken to improve industrial relations in Victoria and what has been the result of this action.
- 219 **MR RICHARDSON**—To ask the Honourable the Minister for Education what action the Government is taking to improve the delivery of educational services and facilities and the standard of education offered in Victorian schools and other educational institutions.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS

NOTICES RECEIVED ON 3 APRIL 1985

- 1 **MR DICKINSON**—To ask the Honourable the Minister for Local Government, in respect of the provisions of the *Nudity (Prescribed Areas) Act 1983*:
 - 1 How many municipalities were approached to set aside dress optional bathing areas.
 - 2 How many and which municipalities indicated their opposition to the location of these areas.
 - 3 What action has been taken, since the proclamation of this legislation, to remove designated areas when requested by the local municipality concerned.
 - 4 Whether the Government will act immediately to revoke the declared area if and when requested by the municipality concerned; if not, why.
 - 5 How many designated nude beaches are currently in the State of Victoria, indicating in which electoral districts these are situated and whether these designated areas have been re-designated during the course of the present legislation.
- 2 **MR DICKINSON**—To ask the Honourable the Minister for Local Government:
 - 1 What are the names of the Members of the Committee presently advising the Government on dress optional bathing areas.
 - 2 Who is responsible for receiving criticisms by members of the public of the dress optional bathing areas, and what action has been taken by the Minister to review complaints since the enactment of this legislation.
- 3 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
 - 1 How many bicycles, television sets, video recorders and stereos have been stolen in the past five years and what was the recovery rate of these items in each year.
 - 2 What was the total value of these stolen goods and what is the value of the stolen articles which to date have not been recovered.
- 4 **MR DICKINSON**—To ask the Honourable the Minister for Transport:
 - 1 Whether the Minister is aware of local pressure amongst retired people for a regular bus service from Aireys Inlet to Anglesea and Geelong.
 - 2 In view of the fact that private enterprise bus lines see the route as uneconomic, what action the Government is prepared to take to assist the running of a regular service for those residents of Aireys Inlet who need public transport.
- 5 **MR DICKINSON**—To ask the Honourable the Premier:
 - 1 What positions paid by the Crown are now held by Labor candidates who unsuccessfully stood for the State election on 2 March 1985, indicating which electoral district each contested.
 - 2 How many Labor candidates held a position in the State Public Service prior to contesting the 1985 State election.
 - 3 What new Public Service positions have been made available to former Australian Labor Party candidates.

- 6 **MR DICKINSON**—To ask the Honourable the Minister for Local Government:
- 1 Whether he will undertake an investigative study of opening up access roads in Aireys Inlet, namely Eagle Rock Road, Anderson Street and Aireys Street, to provide emergency escapes in residential areas which were devastated during the Ash Wednesday bushfires.
 - 2 Whether he is aware that the matter has been under consideration for some six years but no action taken, due to pressure from environmental groups which are opposed to the opening up of these roads.
- 7 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
- 1 How many jaws of life are currently held by the State Emergency Services Unit.
 - 2 Whether he contemplates the allocation of additional jaws of life to areas that are geographically isolated and currently cannot be served from major provincial towns where this equipment is available.
 - 3 Whether there are any plans to allocate additional equipment to the Geelong State Emergency Service Unit in the forthcoming financial year.
- 8 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services, what new plant and equipment will be allocated to Country Fire Authority units in the electoral district of South Barwon before June 1985 and in the 1985–86 financial year, respectively.
- 9 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services, in respect of the proposed new Geelong Police Complex on the Haymarket Site in Geelong, whether negotiations have been made by the Government for the payment of compensation to the Geelong City Council for the Haymarket site; if so, what are the details; if not, why work has not proceeded for the building of the new Police complex on the site.
- 10 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services, when a start will be made on the construction of a police complex in the Belmont/Grovedale area of the electoral district of South Barwon.
- 11 **MR LIEBERMAN**—To ask the Honourable the Minister for Education, in respect of the comments contained in The Commonwealth Tertiary Education Commission 1985–87 Triennium Report, Volume 1, on sub-standard facilities at colleges, whether there is any Federal (TAFEC) or State (TAFE Board) policy which would inhibit or prevent the spending of Federal or State monies to upgrade, replace, or relocate such sub-standard facilities within the inner urban area.
- 12 **MR DICKINSON**—To ask the Honourable the Minister for Education, for the Honourable the Minister for Conservation, Forests and Lands, in view of the fact that residents of Aireys Inlet are divided as to the location of a recreation reserve to serve the local community, and also about the opening of access roads in the residential areas which would provide emergency escape routes to residents if the area is ever again threatened by bush fires, what action is being taken in conjunction with the Local Government Department to resolve these local difficulties.
- 13 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
- 1 What is the number of permanent and part-time employees, respectively, in the Ministry of Police and Emergency Services.
 - 2 What was the total wages bill for the financial year ended 30 June 1984.
 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.

- 14 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
 - 1 Whether the Minister suggested that the Bellarine Sewerage Authority charge a higher capital contribution for vacant land than for land with buildings; if so, whether this decision was aimed at achieving a higher level of acceptance of the scheme.
 - 2 Whether the Minister required the Authority to levy the contribution at the level suggested.
 - 3 Whether many young couples who have bought land and are saving to build are disadvantaged by this differential funding.
 - 4 Whether the recommended level of contribution discriminates against owners of vacant land.
 - 5 Whether the Minister is aware that prior to the Authority giving formal notice of the differential contribution, the Authority conducted a survey amongst land owners which indicated a majority in favour of equal contributions.
 - 6 Whether the Minister is aware of concern among owners of vacant land in the area of the Authority that has caused some to sell their properties.

- 15 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
 - 1 Whether there is an in-built inequity where any date of construction is used to distinguish between the amount of contribution land owners must pay.
 - 2 Whether the Minister has authorized the Bellarine Sewerage Authority to make a differential charge other than for land with buildings and vacant land to enable a favourable contribution to be paid by the Returned Services League, churches, service groups or other community organizations.
 - 3 Whether consideration has been given to the inequity arising from the period of home ownership or where new homes have had plumbing installed in anticipation of the sewerage scheme.
 - 4 Whether the Minister can give an assurance that prior to settling the sewerage scheme, the Authority will take account of objections to differential funding.
 - 5 Whether the Minister has obtained a legal opinion which confirms the power of a sewerage authority to charge differential funding; if not, whether the Minister will obtain such an opinion.

- 16 **MR DICKINSON**—To ask the Honourable the Minister for Transport what has been the total cost of painting 39 buses belonging to the Geelong Transit Authority since its formation.

- 17 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, whether there are natural levels of fluoride in Geelong's water supplies; if so, whether these levels will be taken into account when calculating the amount of fluoride to be added.

- 18 **MR DICKINSON**—To ask the Honourable the Minister for Education:
 - 1 What is the production cost of the Schools Handbook Project 1985, how many copies will be printed and what is the cost of staff time utilized in its preparation and continued updating.
 - 2 What was the production cost of the 1984 Post Primary Education handbook, how many copies were printed and what was the cost of staff time utilized in its production and continued updating.
 - 3 Whether both publications will be printed annually and at what cost to the Victorian taxpayers.

- 19 **MR DICKINSON**—To ask the Honourable the Minister for Transport what total subsidy per annum has been granted by the Government to private buslines since April 1982.
- 20 **MR DICKINSON**—To ask the Honourable the Treasurer whether there has been a new stand taken by the Administrators of the Insurers Guarantee and Compensation Supplementation Fund and the Workers Supplementation Fund in regard to moneys refunded on certain lump sum payments made to injured workers; if so, what are the details and whether this will lessen the amount refunded from such Funds which in the past have been reimbursed to Insurers who agree to pay the additional amounts on behalf of their clients.
- 21 **MR DICKINSON**—To ask the Honourable the Minister for Education in respect of the Special Teaching Unit and the Geelong Integration Program for intellectually handicapped children into the State education system:
- 1 What action the Government is taking to satisfy the future needs of the 14 intellectually handicapped children who have been participating in the Geelong Integration Program.

NOTICES RECEIVED ON 23 APRIL 1985

- 209 **MR GUDE**—To ask the Honourable the Treasurer:
- 1 Whether he gave the Director-General of Public Works authority to not bring to account all debtors and creditors in the Annual Report of the Public Works Department for the year 1983–84; if so, what were the reasons for his decision.
 - 2 Whether he will assure the Parliament that all such debtors and creditors will be brought to account in the financial year 1984–85 as recommended by the Auditor-General.
- 210 **MR DICKINSON**—To ask the Honourable the Minister for the Arts, for the Honourable the Attorney-General, what action the State Government has taken, in conjunction with the Commonwealth Government, to—(a) prevent the importation and sale of hard-core pornography and grossly obscene publications in Victoria; and (b) register imported pornographic video tapes for non-commercial use with the Film Censorship Board and require the censor to more appropriately reflect responsible community attitudes.
- 211 **MR DICKINSON**—To ask the Honourable the Minister for Transport, for the Honourable the Minister for Health, in view of the grave difficulties for existing staff members to carry out the aims and ideals of the Community Health Program, what action the Minister is taking to overcome the shortage of nursing staff at the Portarlington and District Community Health Centre.
- 212 **MR BROWN**—To ask the Honourable the Minister for Housing, whether he will provide the names of all persons employed by the Ministry of Housing to conduct public housing surveys during the three-year period up to 15 April 1985, including the date of commencement of each person and the duration of their term of employment, the source of funds to pay these persons and whether any of the persons employed were at the time either previous or present employees of the Ministry of Housing.

NOTICES RECEIVED ON 24 APRIL 1985

- 213 **MR STEGGALL**—To ask the Honourable the Minister for Water Resources, further to the Minister's answer to a Question without Notice asked in the Legislative Council on 4 October 1984, in respect of the Mineral Reserve Basin Scheme in Northern Victoria:
- 1 How it is proposed to dispose of 16 000 tonnes of salt per annum in two basins instead of three, and what is the reason for dispensing with the proposed third basin and whether he will lay on the table of the Library the report of the consultants relating to this proposal.
 - 2 Whether the plaintiffs in action No. 9245 of 1981 have been advised of the altered proposal.
 - 3 In view of advice from the consultants, Caldwell Connell Engineers Pty Ltd, that the commercial sale of salt is not viable, what the Commission proposes to do with the salt which it has for years stated it would sell commercially.
 - 4 Whether the Government has now reached a decision in respect of diverting water to Lake Tyrrell in the future; if so, what are the details.

5 Whether the amendment of section 29 of the *Water Act* 1968 passed by Parliament in December 1983 has inhibited and restricted the pre-existing rights of the plaintiffs in the above action.

214 MR STEGGALL—To ask the Honourable the Minister for Water Resources:

1 In view of the Kerang Research Farm calculations that evaporation from a water table at $\frac{1}{2}$ metre is 2 megalitres per year per hectare gross, what calculations the Government has used to justify continuation of the Mineral Reserve Basin Scheme based on the Environmental Effects Statement that evaporation by capillary action from the water table at $\frac{1}{2}$ metre would be 10.5 megalitres per hectare gross per year.

2 Whether the Minister accepts the Environmental Effects Statement in relation to the above figures, and in that event, whether he will ascertain and advise where the salt build up is in the basin area due to the evaporation of highly saline water over the many years the water table has been around $\frac{1}{2}$ metre in the area.

215 MR STEGGALL—To ask the Honourable the Minister for the Arts, for the Honourable the Attorney-General, in respect of the investigations being conducted by the National Companies and Securities Commission into T.E.A. (1983) Limited—In Liquidation:

1 Whether he will ascertain and inform the House whether any shareholder who attended the Annual General Meeting on 1 November 1982, has been required to attend on the National Companies and Securities Commission and give evidence on oath concerning the address of the Chairman and discussions at that meeting.

2 Whether he will ascertain and inform the House when the report by the National Companies and Securities Commission on the failure of the Company, will be released.

3 Why the report on insider trading, which the Minister has had since December 1983, has not been released and when the Minister proposes to do so.

4 Whether the Attorney-General will prosecute actions in respect of insider trading, against all officers and employees of the Company who attempted to dispose of shares in the fortnight prior to the announcement of receivership, that is, the period from 1 May 1983 to 12 May 1983.

5 Whether the Minister is aware that Mr Yeo, an employee of the Company, and shareholder through a Trust, disposed of shares in that period and later re-purchased same from the buying broker; if so, whether Mr Yeo will be prosecuted.

6 Whether Sir Roderick Proctor, a shareholder and director of Theo Rod Pty Ltd and a director of the Queensland Board, who sold shares in the period 1 May to 12 May 1983, and subsequently re-purchased them from the buying broker, will be prosecuted.

7 Whether the Minister is prepared to assist the unfortunate shareholders of T.E.A. (1983) Limited—In Liquidation, by introducing legislation to relieve them of the liability to pay a call in view of the complicated legal issues raised by the Second Schedule to the *Trustee Companies Act* 1958 relating to T.E.A. (1983) Limited.

216 MR DELZOPPO—To ask the Honourable the Minister for Education, in view of the fact that the number of students at Tottenham Technical School has fallen from a peak of 1200 students some years ago to 282 at present, whether the maintenance grant, building and equipment grant and number of ancillary staff, has been reduced to reflect the present number of students or whether the school has continued to enjoy the same benefits as it did when the number was over 1000.

- 217 **MR HANN**—To ask the Honourable the Minister for Industry, Technology and Resources:
- 1 What was the total amount of financial assistance provided to dairy processing and manufacturing companies in Victoria under the “approved decentralized industry incentive scheme” for each of the financial years from 1980–81 to 1983–84, inclusive.
 - 2 Which incentives are to be withdrawn from these companies and what will be the total cost to the above industries of the loss of these benefits.
- 218 **MR RICHARDSON**—To ask the Honourable the Premier:
- 1 What action the Government is taking to improve, safeguard and manage the Victorian economy.
 - 2 What action the Government is taking to improve, maintain, diversify and manage the public transport system in Victoria, particularly the publicly and privately owned bus services, tram services and train services in the metropolitan area, provincial cities, towns and rural districts within the State.
 - 3 What action the Government is taking to improve industrial relations in Victoria.
 - 4 What action the Government has taken to improve industrial relations in Victoria and what has been the result of this action.
- 219 **MR RICHARDSON**—To ask the Honourable the Minister for Education what action the Government is taking to improve the delivery of educational services and facilities and the standard of education offered in Victorian schools and other educational institutions.

NOTICES RECEIVED ON 30 APRIL 1985

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS

NOTICES RECEIVED ON 3 APRIL 1985

- 1 **MR DICKINSON**—To ask the Honourable the Minister for Local Government, in respect of the provisions of the *Nudity (Prescribed Areas) Act 1983*:
 - 1 How many municipalities were approached to set aside dress optional bathing areas.
 - 2 How many and which municipalities indicated their opposition to the location of these areas.
 - 3 What action has been taken, since the proclamation of this legislation, to remove designated areas when requested by the local municipality concerned.
 - 4 Whether the Government will act immediately to revoke the declared area if and when requested by the municipality concerned; if not, why.
 - 5 How many designated nude beaches are currently in the State of Victoria, indicating in which electoral districts these are situated and whether these designated areas have been re-designated during the course of the present legislation.

- 2 **MR DICKINSON**—To ask the Honourable the Minister for Local Government:
 - 1 What are the names of the Members of the Committee presently advising the Government on dress optional bathing areas.
 - 2 Who is responsible for receiving criticisms by members of the public of the dress optional bathing areas, and what action has been taken by the Minister to review complaints since the enactment of this legislation.

- 4 **MR DICKINSON**—To ask the Honourable the Minister for Transport:
 - 1 Whether the Minister is aware of local pressure amongst retired people for a regular bus service from Aireys Inlet to Anglesea and Geelong.
 - 2 In view of the fact that private enterprise bus lines see the route as uneconomic, what action the Government is prepared to take to assist the running of a regular service for those residents of Aireys Inlet who need public transport.

- 5 **MR DICKINSON**—To ask the Honourable the Premier:
 - 1 What positions paid by the Crown are now held by Labor candidates who unsuccessfully stood for the State election on 2 March 1985, indicating which electoral district each contested.
 - 2 How many Labor candidates held a position in the State Public Service prior to contesting the 1985 State election.
 - 3 What new Public Service positions have been made available to former Australian Labor Party candidates.

- 6 **MR DICKINSON**—To ask the Honourable the Minister for Local Government:
 - 1 Whether he will undertake an investigative study of opening up access roads in Aireys Inlet, namely Eagle Rock Road, Anderson Street and Aireys Street, to provide emergency escapes in residential areas which were devastated during the Ash Wednesday bushfires.

- 2 Whether he is aware that the matter has been under consideration for some six years but no action taken, due to pressure from environmental groups which are opposed to the opening up of these roads.
- 7 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
 - 1 How many jaws of life are currently held by the State Emergency Services Unit.
 - 2 Whether he contemplates the allocation of additional jaws of life to areas that are geographically isolated and currently cannot be served from major provincial towns where this equipment is available.
 - 3 Whether there are any plans to allocate additional equipment to the Geelong State Emergency Service Unit in the forthcoming financial year.
- 8 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services, what new plant and equipment will be allocated to Country Fire Authority units in the electoral district of South Barwon before June 1985 and in the 1985–86 financial year, respectively.
- 9 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services, in respect of the proposed new Geelong Police Complex on the Haymarket Site in Geelong, whether negotiations have been made by the Government for the payment of compensation to the Geelong City Council for the Haymarket site; if so, what are the details; if not, why work has not proceeded for the building of the new Police complex on the site.
- 11 **MR LIEBERMAN**—To ask the Honourable the Minister for Education, in respect of the comments contained in The Commonwealth Tertiary Education Commission 1985–87 Triennium Report, Volume 1, on sub-standard facilities at colleges, whether there is any Federal (TAFEC) or State (TAFE Board) policy which would inhibit or prevent the spending of Federal or State monies to upgrade, replace, or relocate such sub-standard facilities within the inner urban area.
- 12 **MR DICKINSON**—To ask the Honourable the Minister for Education, for the Honourable the Minister for Conservation, Forests and Lands, in view of the fact that residents of Aireys Inlet are divided as to the location of a recreation reserve to serve the local community, and also about the opening of access roads in the residential areas which would provide emergency escape routes to residents if the area is ever again threatened by bush fires, what action is being taken in conjunction with the Local Government Department to resolve these local difficulties.
- 13 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
 - 1 What is the number of permanent and part-time employees, respectively, in the Ministry of Police and Emergency Services.
 - 2 What was the total wages bill for the financial year ended 30 June 1984.
 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.
- 14 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
 - 1 Whether the Minister suggested that the Bellarine Sewerage Authority charge a higher capital contribution for vacant land than for land with buildings; if so, whether this decision was aimed at achieving a higher level of acceptance of the scheme.
 - 2 Whether the Minister required the Authority to levy the contribution at the level suggested.

- 3 Whether many young couples who have bought land and are saving to build are disadvantaged by this differential funding.
 - 4 Whether the recommended level of contribution discriminates against owners of vacant land.
 - 5 Whether the Minister is aware that prior to the Authority giving formal notice of the differential contribution, the Authority conducted a survey amongst land owners which indicated a majority in favour of equal contributions.
 - 6 Whether the Minister is aware of concern among owners of vacant land in the area of the Authority that has caused some to sell their properties.
- 15 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether there is an in-built inequity where any date of construction is used to distinguish between the amount of contribution land owners must pay.
 - 2 Whether the Minister has authorized the Bellarine Sewerage Authority to make a differential charge other than for land with buildings and vacant land to enable a favourable contribution to be paid by the Returned Services League, churches, service groups or other community organizations.
 - 3 Whether consideration has been given to the inequity arising from the period of home ownership or where new homes have had plumbing installed in anticipation of the sewerage scheme.
 - 4 Whether the Minister can give an assurance that prior to settling the sewerage scheme, the Authority will take account of objections to differential funding.
 - 5 Whether the Minister has obtained a legal opinion which confirms the power of a sewerage authority to charge differential funding; if not, whether the Minister will obtain such an opinion.
- 16 **MR DICKINSON**—To ask the Honourable the Minister for Transport what has been the total cost of painting 39 buses belonging to the Geelong Transit Authority since its formation.
- 17 **MR DICKINSON**—To ask the Honourable the Minister for Transport, for the Honourable the Minister for Health, whether there are natural levels of fluoride in Geelong's water supplies; if so, whether these levels will be taken into account when calculating the amount of fluoride to be added.

- 21 **MR DICKINSON**—To ask the Honourable the Minister for Education in respect of the Special Teaching Unit and the Geelong Integration Program for intellectually handicapped children into the State education system:
- 1 What action the Government is taking to satisfy the future needs of the 14 intellectually handicapped children who have been participating in the Geelong Integration Program.
 - 2 What resources the Government will provide to ensure these children remain in the integration program.
 - 3 What plans the government has to expand the integration program so that more intellectually handicapped children will have the opportunity to participate.
 - 4 What additional resources the Government will provide to cater for the extra teaching staff and teachers' aides necessary to educate and supervise these children.

- 22 **MR DICKINSON**—To ask the Honourable the Minister for Housing:
- 1 How many homes the Ministry of Housing has purchased under the “spot” purchase plan in the electoral district of Geelong East in the past two years.
 - 2 What was the average price of these homes.
 - 3 What is the present waiting period for Ministry of Housing homes in that electoral district.
- 23 **MR DICKINSON**—To ask the Honourable the Minister for Transport, for the Honourable the Minister for Health:
- 1 What are the locations of all fluoridation plants in the State of Victoria.
 - 2 What is the—(a) capital cost; and (b) annual running costs of each of these plants.
 - 3 What is the per capita cost for every man, woman and child to receive fluoridation of the water supply.
 - 4 What total capital cost has been incurred in the Geelong Water Board district, indicating the details of—(a) money spent to date; and (b) money which will be expended before June, 1985.
 - 5 What is the annual cost of each plant, indicating the cost benefit to people in the Geelong region and the number of people concerned.
 - 6 What action the Minister has taken to review the request by petitioners to the Government requesting a halt of the fluoridation project in the Geelong region.
 - 7 In the event that no action has been taken, whether the Minister will undertake to carry out an education programme and/or listen to any documented scientific papers which throw light on a contrary view that fluoridation is beneficial.
 - 8 How the public can file objections and complaints over the introduction of fluoride into their water supply.
 - 9 Whether a study has been made to ascertain if a cost saving would be received by the people of Victoria if fluoridation was removed from all water supplies throughout this State; if so, what are the details.
 - 10 What the cost benefit would be of allowing parents the opportunity of purchasing fluoride from their chemists and administering it to their children as one of the freedoms of choice available to them.
- 24 **MR DICKINSON**—To ask the Honourable the Minister for Transport:
- 1 Whether he has given approval to the Geelong Water Board to construct a sewerage line along the Queenscliff–Clifton Springs railway easement.
 - 2 Whether the Government has called for an environmental impact study in connection with the engineering and works planned for such a sewerage outlet; if not, what steps can be taken to meet these requirements.
- 25 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources:
- 1 What steps the Government has taken to fund the upgrading of the sewerage outfall at Black Rock to meet Environment Protection Authority requirements.
 - 2 Whether the funds will be provided in the forthcoming financial year; if not, why.

NOTICES RECEIVED ON 24 APRIL 1985

- 213 **MR STEGGALL**—To ask the Honourable the Minister for Water Resources, further to the Minister's answer to a Question without Notice asked in the Legislative Council on 4 October 1984, in respect of the Mineral Reserve Basin Scheme in Northern Victoria:
- 1 How it is proposed to dispose of 16 000 tonnes of salt per annum in two basins instead of three, and what is the reason for dispensing with the proposed third basin and whether he will lay on the table of the Library the report of the consultants relating to this proposal.
 - 2 Whether the plaintiffs in action No. 9245 of 1981 have been advised of the altered proposal.
 - 3 In view of advice from the consultants, Caldwell Connell Engineers Pty Ltd, that the commercial sale of salt is not viable, what the Commission proposes to do with the salt which it has for years stated it would sell commercially.
 - 4 Whether the Government has now reached a decision in respect of diverting water to Lake Tyrrell in the future; if so, what are the details.
 - 5 Whether the amendment of section 29 of the *Water Act* 1968 passed by Parliament in December 1983 has inhibited and restricted the pre-existing rights of the plaintiffs in the above action.
- 214 **MR STEGGALL**—To ask the Honourable the Minister for Water Resources:
- 1 In view of the Kerang Research Farm calculations that evaporation from a water table at ½ metre is 2 megalitres per year per hectare gross, what calculations the Government has used to justify continuation of the Mineral Reserve Basin Scheme based on the Environmental Effects Statement that evaporation by capillary action from the water table at ½ metre would be 10.5 megalitres per hectare gross per year.
 - 2 Whether the Minister accepts the Environmental Effects Statement in relation to the above figures, and in that event, whether he will ascertain and advise where the salt build up is in the basin area due to the evaporation of highly saline water over the many years the water table has been around ½ metre in the area.
- 215 **MR STEGGALL**—To ask the Honourable the Minister for the Arts, for the Honourable the Attorney-General, in respect of the investigations being conducted by the National Companies and Securities Commission into T.E.A. (1983) Limited—In Liquidation:
- 1 Whether he will ascertain and inform the House whether any shareholder who attended the Annual General Meeting on 1 November 1982, has been required to attend on the National Companies and Securities Commission and give evidence on oath concerning the address of the Chairman and discussions at that meeting.
 - 2 Whether he will ascertain and inform the House when the report by the National Companies and Securities Commission on the failure of the Company, will be released.
 - 3 Why the report on insider trading, which the Minister has had since December 1983, has not been released and when the Minister proposes to do so.

- 4 Whether the Attorney-General will prosecute actions in respect of insider trading, against all officers and employees of the Company who attempted to dispose of shares in the fortnight prior to the announcement of receivership, that is, the period from 1 May 1983 to 12 May 1983.
 - 5 Whether the Minister is aware that Mr Yeo, an employee of the Company, and shareholder through a Trust, disposed of shares in that period and later re-purchased same from the buying broker; if so, whether Mr Yeo will be prosecuted.
 - 6 Whether Sir Roderick Proctor, a shareholder and director of Theo Rod Pty Ltd and a director of the Queensland Board, who sold shares in the period 1 May to 12 May 1983, and subsequently re-purchased them from the buying broker, will be prosecuted.
 - 7 Whether the Minister is prepared to assist the unfortunate shareholders of T.E.A. (1983) Limited—In Liquidation, by introducing legislation to relieve them of the liability to pay a call in view of the complicated legal issues raised by the Second Schedule to the *Trustee Companies Act* 1958 relating to T.E.A. (1983) Limited.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS

NOTICES RECEIVED ON 3 APRIL 1985

- 1 **MR DICKINSON**—To ask the Honourable the Minister for Local Government, in respect of the provisions of the *Nudity (Prescribed Areas) Act 1983*:
 - 1 How many municipalities were approached to set aside dress optional bathing areas.
 - 2 How many and which municipalities indicated their opposition to the location of these areas.
 - 3 What action has been taken, since the proclamation of this legislation, to remove designated areas when requested by the local municipality concerned.
 - 4 Whether the Government will act immediately to revoke the declared area if and when requested by the municipality concerned; if not, why.
 - 5 How many designated nude beaches are currently in the State of Victoria, indicating in which electoral districts these are situated and whether these designated areas have been re-designated during the course of the present legislation.

- 2 **MR DICKINSON**—To ask the Honourable the Minister for Local Government:
 - 1 What are the names of the Members of the Committee presently advising the Government on dress optional bathing areas.
 - 2 Who is responsible for receiving criticisms by members of the public of the dress optional bathing areas, and what action has been taken by the Minister to review complaints since the enactment of this legislation.

- 5 **MR DICKINSON**—To ask the Honourable the Premier:
 - 1 What positions paid by the Crown are now held by Labor candidates who unsuccessfully stood for the State election on 2 March 1985, indicating which electoral district each contested.
 - 2 How many Labor candidates held a position in the State Public Service prior to contesting the 1985 State election.
 - 3 What new Public Service positions have been made available to former Australian Labor Party candidates.

- 6 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
 - 1 Whether he will undertake an investigative study of opening up access roads in Aireys Inlet, namely Eagle Rock Road, Anderson Street and Aireys Street, to provide emergency escapes in residential areas which were devastated during the Ash Wednesday bushfires.
 - 2 Whether he is aware that the matter has been under consideration for some six years but no action taken, due to pressure from environmental groups which are opposed to the opening up of these roads.

- 7 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
 - 1 How many jaws of life are currently held by the State Emergency Services Unit.

- 2 Whether he contemplates the allocation of additional jaws of life to areas that are geographically isolated and currently cannot be served from major provincial towns where this equipment is available.
- 3 Whether there are any plans to allocate additional equipment to the Geelong State Emergency Service Unit in the forthcoming financial year.
- 8 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services, what new plant and equipment will be allocated to Country Fire Authority units in the electoral district of South Barwon before June 1985 and in the 1985–86 financial year, respectively.
- 13 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
 - 1 What is the number of permanent and part-time employees, respectively, in the Ministry of Police and Emergency Services.
 - 2 What was the total wages bill for the financial year ended 30 June 1984.
 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.
- 14 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
 - 1 Whether the Minister suggested that the Bellarine Sewerage Authority charge a higher capital contribution for vacant land than for land with buildings; if so, whether this decision was aimed at achieving a higher level of acceptance of the scheme.
 - 2 Whether the Minister required the Authority to levy the contribution at the level suggested.
 - 3 Whether many young couples who have bought land and are saving to build are disadvantaged by this differential funding.
 - 4 Whether the recommended level of contribution discriminates against owners of vacant land.
 - 5 Whether the Minister is aware that prior to the Authority giving formal notice of the differential contribution, the Authority conducted a survey amongst land owners which indicated a majority in favour of equal contributions.
 - 6 Whether the Minister is aware of concern among owners of vacant land in the area of the Authority that has caused some to sell their properties.
- 15 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
 - 1 Whether there is an in-built inequity where any date of construction is used to distinguish between the amount of contribution land owners must pay.
 - 2 Whether the Minister has authorized the Bellarine Sewerage Authority to make a differential charge other than for land with buildings and vacant land to enable a favourable contribution to be paid by the Returned Services League, churches, service groups or other community organizations.
 - 3 Whether consideration has been given to the inequity arising from the period of home ownership or where new homes have had plumbing installed in anticipation of the sewerage scheme.
 - 4 Whether the Minister can give an assurance that prior to settling the sewerage scheme, the Authority will take account of objections to differential funding.
 - 5 Whether the Minister has obtained a legal opinion which confirms the power of a sewerage authority to charge differential funding; if not, whether the Minister will obtain such an opinion.

- 16 **MR DICKINSON**—To ask the Honourable the Minister for Transport what has been the total cost of painting 39 buses belonging to the Geelong Transit Authority since its formation.

 - 3 What is the per capita cost for every man, woman and child to receive fluoridation of the water supply.
 - 4 What total capital cost has been incurred in the Geelong Water Board district, indicating the details of—(a) money spent to date; and (b) money which will be expended before June, 1985.
 - 5 What is the annual cost of each plant, indicating the cost benefit to people in the Geelong region and the number of people concerned.
 - 6 What action the Minister has taken to review the request by petitioners to the Government requesting a halt of the fluoridation project in the Geelong region.
 - 7 In the event that no action has been taken, whether the Minister will undertake to carry out an education programme and/or listen to any documented scientific papers which throw light on a contrary view that fluoridation is beneficial.
 - 8 How the public can file objections and complaints over the introduction of fluoride into their water supply.
 - 9 Whether a study has been made to ascertain if a cost saving would be received by the people of Victoria if fluoridation was removed from all water supplies throughout this State; if so, what are the details.
 - 10 What the cost benefit would be of allowing parents the opportunity of purchasing fluoride from their chemists and administering it to their children as one of the freedoms of choice available to them.
- 25 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources:
- 1 What steps the Government has taken to fund the upgrading of the sewerage outfall at Black Rock to meet Environment Protection Authority requirements.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS

NOTICES RECEIVED ON 3 APRIL 1985

- 5 **MR DICKINSON**—To ask the Honourable the Premier:
- 1 What positions paid by the Crown are now held by Labor candidates who unsuccessfully stood for the State election on 2 March 1985, indicating which electoral district each contested.
 - 2 How many Labor candidates held a position in the State Public Service prior to contesting the 1985 State election.
 - 3 What new Public Service positions have been made available to former Australian Labor Party candidates.
- 7 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
- 1 How many jaws of life are currently held by the State Emergency Services Unit.
 - 2 Whether he contemplates the allocation of additional jaws of life to areas that are geographically isolated and currently cannot be served from major provincial towns where this equipment is available.
 - 3 Whether there are any plans to allocate additional equipment to the Geelong State Emergency Service Unit in the forthcoming financial year.
- 8 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services, what new plant and equipment will be allocated to Country Fire Authority units in the electoral district of South Barwon before June 1985 and in the 1985–86 financial year, respectively.
- 13 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
- 1 What is the number of permanent and part-time employees, respectively, in the Ministry of Police and Emergency Services.
 - 2 What was the total wages bill for the financial year ended 30 June 1984.
 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.
- 14 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether the Minister suggested that the Bellarine Sewerage Authority charge a higher capital contribution for vacant land than for land with buildings; if so, whether this decision was aimed at achieving a higher level of acceptance of the scheme.
 - 2 Whether the Minister required the Authority to levy the contribution at the level suggested.
 - 3 Whether many young couples who have bought land and are saving to build are disadvantaged by this differential funding.
 - 4 Whether the recommended level of contribution discriminates against owners of vacant land.

- 5 Whether the Minister is aware that prior to the Authority giving formal notice of the differential contribution, the Authority conducted a survey amongst land owners which indicated a majority in favour of equal contributions.
 - 6 Whether the Minister is aware of concern among owners of vacant land in the area of the Authority that has caused some to sell their properties.
- 15 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether there is an in-built inequity where any date of construction is used to distinguish between the amount of contribution land owners must pay.
 - 2 Whether the Minister has authorized the Bellarine Sewerage Authority to make a differential charge other than for land with buildings and vacant land to enable a favourable contribution to be paid by the Returned Services League, churches, service groups or other community organizations.
 - 3 Whether consideration has been given to the inequity arising from the period of home ownership or where new homes have had plumbing installed in anticipation of the sewerage scheme.
 - 4 Whether the Minister can give an assurance that prior to settling the sewerage scheme, the Authority will take account of objections to differential funding.
 - 5 Whether the Minister has obtained a legal opinion which confirms the power of a sewerage authority to charge differential funding; if not, whether the Minister will obtain such an opinion.
- 16 **MR DICKINSON**—To ask the Honourable the Minister for Transport what has been the total cost of painting 39 buses belonging to the Geelong Transit Authority since its formation.
- 22 **MR DICKINSON**—To ask the Honourable the Minister for Housing:
- 1 How many homes the Ministry of Housing has purchased under the “spot” purchase plan in the electoral district of Geelong East in the past two years.

 - 2 What is the—(a) capital cost; and (b) annual running costs of each of these plants.
 - 3 What is the per capita cost for every man, woman and child to receive fluoridation of the water supply.
 - 4 What total capital cost has been incurred in the Geelong Water Board district, indicating the details of—(a) money spent to date; and (b) money which will be expended before June, 1985.
 - 5 What is the annual cost of each plant, indicating the cost benefit to people in the Geelong region and the number of people concerned.
 - 6 What action the Minister has taken to review the request by petitioners to the Government requesting a halt of the fluoridation project in the Geelong region.
 - 7 In the event that no action has been taken, whether the Minister will undertake to carry out an education programme and/or listen to any documented scientific papers which throw light on a contrary view that fluoridation is beneficial.

- 8 How the public can file objections and complaints over the introduction of fluoride into their water supply.
 - 9 Whether a study has been made to ascertain if a cost saving would be received by the people of Victoria if fluoridation was removed from all water supplies throughout this State; if so, what are the details.
 - 10 What the cost benefit would be of allowing parents the opportunity of purchasing fluoride from their chemists and administering it to their children as one of the freedoms of choice available to them.
- 25 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources:
- 1 What steps the Government has taken to fund the upgrading of the sewerage outfall at Black Rock to meet Environment Protection Authority requirements.
 - 2 Whether the funds will be provided in the forthcoming financial year; if not, why.
 - 3 In respect of the sewerage line from Clifton Springs–Bellarine, whether the Minister has called for an environmental impact study in connection with the engineering works feasibility study for the Clifton Springs–Bellarine sewerage outfall to be connected with the Geelong Black Rock tank sewer.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS

NOTICES RECEIVED ON 3 APRIL 1985

- 5 **MR DICKINSON**—To ask the Honourable the Premier:
- 1 What positions paid by the Crown are now held by Labor candidates who unsuccessfully stood for the State election on 2 March 1985, indicating which electoral district each contested.
 - 2 How many Labor candidates held a position in the State Public Service prior to contesting the 1985 State election.
 - 3 What new Public Service positions have been made available to former Australian Labor Party candidates.
- 7 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
- 1 How many jaws of life are currently held by the State Emergency Services Unit.
 - 2 Whether he contemplates the allocation of additional jaws of life to areas that are geographically isolated and currently cannot be served from major provincial towns where this equipment is available.
 - 3 Whether there are any plans to allocate additional equipment to the Geelong State Emergency Service Unit in the forthcoming financial year.
- 8 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services, what new plant and equipment will be allocated to Country Fire Authority units in the electoral district of South Barwon before June 1985 and in the 1985–86 financial year, respectively.
- 13 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
- 1 What is the number of permanent and part-time employees, respectively, in the Ministry of Police and Emergency Services.
 - 2 What was the total wages bill for the financial year ended 30 June 1984.
 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.
- 14 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether the Minister suggested that the Bellarine Sewerage Authority charge a higher capital contribution for vacant land than for land with buildings; if so, whether this decision was aimed at achieving a higher level of acceptance of the scheme.
 - 2 Whether the Minister required the Authority to levy the contribution at the level suggested.
 - 3 Whether many young couples who have bought land and are saving to build are disadvantaged by this differential funding.
 - 4 Whether the recommended level of contribution discriminates against owners of vacant land.

- 5 Whether the Minister is aware that prior to the Authority giving formal notice of the differential contribution, the Authority conducted a survey amongst land owners which indicated a majority in favour of equal contributions.
 - 6 Whether the Minister is aware of concern among owners of vacant land in the area of the Authority that has caused some to sell their properties.
- 15 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether there is an in-built inequity where any date of construction is used to distinguish between the amount of contribution land owners must pay.
 - 2 Whether the Minister has authorized the Bellarine Sewerage Authority to make a differential charge other than for land with buildings and vacant land to enable a favourable contribution to be paid by the Returned Services League, churches, service groups or other community organizations.
 - 3 Whether consideration has been given to the inequity arising from the period of home ownership or where new homes have had plumbing installed in anticipation of the sewerage scheme.
 - 4 Whether the Minister can give an assurance that prior to settling the sewerage scheme, the Authority will take account of objections to differential funding.
 - 5 Whether the Minister has obtained a legal opinion which confirms the power of a sewerage authority to charge differential funding; if not, whether the Minister will obtain such an opinion.
- 16 **MR DICKINSON**—To ask the Honourable the Minister for Transport what has been the total cost of painting 39 buses belonging to the Geelong Transit Authority since its formation.
- 22 **MR DICKINSON**—To ask the Honourable the Minister for Housing:
- 1 How many homes the Ministry of Housing has purchased under the “spot” purchase plan in the electoral district of Geelong East in the past two years.
 - 2 What was the average price of these homes.
 - 3 What is the present waiting period for Ministry of Housing homes in that electoral district.
- 23 **MR DICKINSON**—To ask the Honourable the Minister for Transport, for the Honourable the Minister for Health:
- 1 What are the locations of all fluoridation plants in the State of Victoria.
 - 2 What is the—(a) capital cost; and (b) annual running costs of each of these plants.
 - 3 What is the per capita cost for every man, woman and child to receive fluoridation of the water supply.
 - 4 What total capital cost has been incurred in the Geelong Water Board district, indicating the details of—(a) money spent to date; and (b) money which will be expended before June, 1985.
 - 5 What is the annual cost of each plant, indicating the cost benefit to people in the Geelong region and the number of people concerned.
 - 6 What action the Minister has taken to review the request by petitioners to the Government requesting a halt of the fluoridation project in the Geelong region.
 - 7 In the event that no action has been taken, whether the Minister will undertake to carry out an education programme and/or listen to any documented scientific papers which throw light on a contrary view that fluoridation is beneficial.

- 8 How the public can file objections and complaints over the introduction of fluoride into their water supply.
 - 9 Whether a study has been made to ascertain if a cost saving would be received by the people of Victoria if fluoridation was removed from all water supplies throughout this State; if so, what are the details.
 - 10 What the cost benefit would be of allowing parents the opportunity of purchasing fluoride from their chemists and administering it to their children as one of the freedoms of choice available to them.
- 25 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources:
- 1 What steps the Government has taken to fund the upgrading of the sewerage outfall at Black Rock to meet Environment Protection Authority requirements.
 - 2 Whether the funds will be provided in the forthcoming financial year; if not, why.
 - 3 In respect of the sewerage line from Clifton Springs–Bellarine, whether the Minister has called for an environmental impact study in connection with the engineering works feasibility study for the Clifton Springs–Bellarine sewerage outfall to be connected with the Geelong Black Rock tank sewer.
- 26 **MR DICKINSON**—To ask the Honourable the Premier:
- 1 What is the number of permanent and part-time employees, respectively, in the Department of the Premier and Cabinet.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS

NOTICES RECEIVED ON 3 APRIL 1985

- 5 **MR DICKINSON**—To ask the Honourable the Premier:
- 1 What positions paid by the Crown are now held by Labor candidates who unsuccessfully stood for the State election on 2 March 1985, indicating which electoral district each contested.
 - 2 How many Labor candidates held a position in the State Public Service prior to contesting the 1985 State election.
 - 3 What new Public Service positions have been made available to former Australian Labor Party candidates.
- 13 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
- 1 What is the number of permanent and part-time employees, respectively, in the Ministry of Police and Emergency Services.
 - 2 What was the total wages bill for the financial year ended 30 June 1984.
 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.
- 14 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether the Minister suggested that the Bellarine Sewerage Authority charge a higher capital contribution for vacant land than for land with buildings; if so, whether this decision was aimed at achieving a higher level of acceptance of the scheme.
 - 2 Whether the Minister required the Authority to levy the contribution at the level suggested.
 - 3 Whether many young couples who have bought land and are saving to build are disadvantaged by this differential funding.
 - 4 Whether the recommended level of contribution discriminates against owners of vacant land.
 - 5 Whether the Minister is aware that prior to the Authority giving formal notice of the differential contribution, the Authority conducted a survey amongst land owners which indicated a majority in favour of equal contributions.
 - 6 Whether the Minister is aware of concern among owners of vacant land in the area of the Authority that has caused some to sell their properties.
- 15 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether there is an in-built inequity where any date of construction is used to distinguish between the amount of contribution land owners must pay.
 - 2 Whether the Minister has authorized the Bellarine Sewerage Authority to make a differential charge other than for land with buildings and vacant land to enable a favourable contribution to be paid by the Returned Services League, churches, service groups or other community organizations.
 - 3 Whether consideration has been given to the inequity arising from the period of home ownership or where new homes have had plumbing installed in anticipation of the sewerage scheme.

- 4 Whether the Minister can give an assurance that prior to settling the sewerage scheme, the Authority will take account of objections to differential funding.
 - 5 Whether the Minister has obtained a legal opinion which confirms the power of a sewerage authority to charge differential funding; if not, whether the Minister will obtain such an opinion.
- 16 **MR DICKINSON**—To ask the Honourable the Minister for Transport what has been the total cost of painting 39 buses belonging to the Geelong Transit Authority since its formation.
