Subject: Fire Services Reform

The Secretary
Legislative Council Select Committee,

Good afternoon, my name is Scott Tayler and I am a professional firefighter with the CFA at Ocean Grove fire station.

I am writing in support of the fire services reform.

As a career firefighter I can see great benefits in merging and streamlining the two services.

The new service will provide greater coverage for the community and a lower response time in expanded areas. It will also dissolve the boundaries between MFB and CFA making the new service more efficient. The reform will also allow the service to be modernised and help with interagency cooperation.

At Ocean Grove we work alongside volunteers and have had several talks about the merger with the volunteers with resounding support for the fire services reform.

I ask that you give my submission consideration.

Much Appreciated

Scott Tayler
