To whom it may concern,

My name is Jess Rush and I am a level 2 Firefighter working for the MFB. I support the Fire service reform. I have lived in a highly urbanised residential area that requires a modern urban fire service. In my Area there are hospitals, nursing homes and industrial sites that require a modern urban fire service as well as timely response times.

The ongoing industrial dispute is having a negative impact on myself and my colleagues and i have a desire to see it end.

Yours sincerely

,

Jess Rush
