Subject: Presumptive Rights and Amendment to Fire Services legislation Bill 2017

Dear Assistant Clerks Committees,

I am Leading firefighter Ray Spinner from Melbourne Metropolitan Fire Brigade,

My Wife and I live in Sunbury with our two Sons and their Families that includes 3 Grand Children which is in CFA area

I work out of Tullamarine Fire Station and understand the demands and workings on the ground of a firefighter

For I have dedicated nearly 29 years of service to the MFB areas around Melbourne and can only see

Great benefits in the REFORM of the two services.

With the recent introduction of EMERGENCY MEDICAL RESPONSE into the CFA I know personally how important it is

And how much time can be required to attend and assist with someone's LIFE, I would like to know that if another INCIDENT or

FIRE occurred at the same time that my FAMILY and I would receive a Professionally Trained and Experienced Crew as the first incident did.

Yours sincerely,

Ray Spinner
