I am a volunteer Fire Fighter with the CFA, belonging to the Kadnook Brigade. Although, I think, the effect of the proposed changes to the CFA will not directly effect me, or most Brigades in our area, I am very concerned that 'we' have not been consulted before these changes were announced, and because of this lack of consultation, "I don't know what I don't know"! We have been led to this point by the Government, and now are virtually facing a 'fait accompli', with no or little information of the ongoing future for the CFA!
