Dear Assistant Clerk Committees ,

INQUIRY INTO THE FIREFIGHTERS' PRESUMPTIVE RIGHTS COMPENSATION AND FIRE SERVICES LEGISLATION AMENDMENT (REFORM) BILL 2017

My name is Kelly Cameron and I have been a professional career firefighter with the MFB for 7 years. I am currently based in VEMTC Craigeburn as an instructor on the Victorian Recruit Firefighting Course.

I write to express my support for the proposed fire services reform.

- In my time working in Epping and Broadmeadows fire stations I've seen first-hand what happens when fire response is delayed, when crews are forced to work within a framework of uncertain emergency response, varying levels of training and different operating procedures. It is not safe for us or the community that we are committed to protecting.
- Victoria's fire services boundaries have not changed significantly in 60 years. Under this out dated system, 35 areas are wrongly zoned as 'country', despite being heavily urbanised and residential. Frankston, Cranbourne, Dandenong, Craigeburn, Melton, Springvale, Boronia and Geelong are just some of the 35 'country areas'.
- These areas need to be modernised as they are highly urbanised areas as part of the reform of the fire service. A rapid 8 minute response, with 7 professional career firefighters on two fire trucks is the minimum standard needed in highly urbanised areas.
- All Victorian, professional and volunteer firefighters, deserve modern fire services that meet the needs of our growing communities.

To ensure the safety of all Victorians - including me as a firefighter, I ask you to please seriously consider your support for the proposed fire services reform.

Reform of our fire services will ensure the safety of your constituents, and all communities in our growing state. Additionally, it will ensure the safety of our firefighters and stop the ever increasing and unrealistic demand being placed on volunteer firefighters because of the enormous urban growth resulting in increased emergency calls.

I also respectfully submit that you give consideration to my request to modernise the fire service along with the introduction of presumptive legislation laws to protect fire service employees. Both are needed to be endorsed and implemented by Parliament before the commencement of the fire season. This is important to me and my colleagues.

I would also welcome the opportunity to meet with you in person to talk to you further about my personal experiences as a professional firefighter and why this reform is so important.

Kind regards,

Leading Firefighter  
Kelly Cameron
