My name is Dean and I have been a professional MFB firefighter for 3 years. I am currently based at Deer Park fire station.

I write to express my support for the proposed fire services reform. To ensure the safety of all Victorians - including me as a firefighter, I ask you to please seriously consider your support for the proposed fire services reform.

Reform of our fire services will ensure the safety of your constituents, and all communities in our growing state. Additionally, it will ensure the safety of our firefighters and stop the ever increasing and unrealistic demand being placed on volunteer firefighters because of the enormous urban growth resulting in increased emergency calls.

I also respectfully submit that you give consideration to my request to modernise the fire service along with the introduction of presumptive legislation laws to protect fire service employees. Both are needed to be endorsed and implemented by Parliament before the commencement of the fire season.

Kind regards
