Subject: Fire services reform submission

To whom it may concern,

I am a Level 3 Firefighter professionally employed by the CFA, stationed at Craigieburn Fire station. I support Fire services reform, however there isn't enough information about the format in which it shall be implemented. If this is to put an end to the current industrial disputation and retains the current conditions as per outlined in the current EBA, then I will support in full.

Regards

Ben Vickery Firefighter
