Correction to transcript – Corrections Portfolio 2021-22 Budget Estimates Wednesday 30 June 2021

Dear Public Accounts and Estimates Committee

I would like to correct the record of my testimony in the transcript on page 4.

The current text reads:

Ms STRONG: The minister is correct. The new kitchen has occurred at the Dame Phyllis Frost Centre, which was part of the upgrade component.

I would like to amend it to:

Ms STRONG: The minister is correct. The **new vegetable processing industry area has been completed** at the Dame Phyllis Frost Centre, which was part of the upgrade component.

Regards

Larissa Strong
Acting Commissioner
Corrections Victoria
