

Legislative Council Legal and Social Issues Committee

Hearing date: 21 August 2024

Question taken on notice

Directed to: The George Institute for Global Health

Received date: 26 August 2024

1. **Renee HEATH, p. 15-16**

Question asked:

Georgia WHITE: Another important point is that there is some evidence from overseas that it is a cost-effective intervention –

Renee HEATH: I have heard that. I would love to see any of that research, if you are happy to send it in to us.

Georgia WHITE: Yes, of course –

Response:

[Health and Economic Impacts of Implementing Produce Prescription Programs for Diabetes in the United States: A Microsimulation Study - PubMed \(nih.gov\)](#)

[Association of National Expansion of Insurance Coverage of Medically Tailored Meals With Estimated Hospitalizations and Health Care Expenditures in the US - PMC \(nih.gov\)](#)
