Dear Caroline

### **Response to 2022-23 Budget Estimates Recommendations**

We provide the following response to a recommendation made by the Public Accounts and Estimates Committee in its Report on the 2022-23 Budget Estimates directed to our departments.

**Recommendation 101:** The Departments of the Legislative Council and the Legislative Assembly consider including performance measures in the 2023-24 Budget to capture the inquiries and reports produced by their Standing Committees.

**Response:** We have requested the Department of Treasury and Finance to include a new qualitative performance measure for each department in the 2023-24 Budget Paper No. 3 to reflect committee members' satisfaction with advice about procedures, research and administration of Standing Committees.

Yours sincerely

Bridget Noonan  
**Clerk of the Legislative Assembly**

Robert McDonald
