

PARLIAMENT OF VICTORIA

Pandemic Declaration Accountability
and Oversight Committee

Restrictions on hospital visitation under Pandemic Orders

Questionnaire

Purpose of questionnaire

The Pandemic Declaration Accountability and Oversight Committee, as part of its functions issued under the *Public Health and Wellbeing Act 2008*, is conducting a review of the Pandemic (Visitors to Hospitals and Care Facilities) Orders (Nos. 1 to 5) and the Pandemic (Public Safety) Order.

The Committee has issued this questionnaire to all Victorian hospitals to understand how the Orders has been implemented and to identify any issues hospitals have experienced related to the Orders.

The Committee notes that as of 11.59 pm 22 April 2022, restrictions on hospital visitation (except for the requirement to wear masks) were revoked. However, the Committee still wishes to understand the experience your organisation has had with the Orders, including the implementation of previous orders. In particular, challenges faced in enforcing the Orders and managing exemption requests.

Please note, this information may be used and published by the Committee as part its reporting.

Response

Please provide a response to the questionnaire by **9 May 2022**.

The completed questionnaire should be sent to: pdaoc@parliament.vic.gov.au.
