The Committee requested further information from DPC on 21 July 2020:

Question:

Could you please advise the Committee how many tenants have applied for a rent relief grant in total and how many grants have been issued?

Answer:

In response to your query, DPC can inform the Committee that, as at 21 July 2020, 12,247 applications have been received and 2,550 rent relief grants have been issued. Around half of applications are still being assessed as the department works with applicants to obtain further information and evidence relating to the application.
