## SUBURBAN REVITALISATION

Drive suburban activity centre renewal and address disadvantage

➤ **\$24.7 million** for **Our Suburbs: Living Local** – supporting our suburbs to recover and thrive initiative.

This comprises:

- **\$9.7 million** to continue support for Suburban Revitalisation Boards
- **\$15 million** for the Living Local Fund for grants to upgrade community activity centres, with projects that promote social connections, enhance liveability and revitalise suburban shopping strips

## Suburban Revitalisation Achievements:

**Revitalisation Boards** are delivering over **150 projects**, including major streetscape improvements, public infrastructure, job pathways programs, events and community support programs in **Boronia, Broadmeadows, Frankston, Lilydale, Melton, Noble Park, Reservoir and Tarneit.**

**Targeted** revitalisation projects in **Altona** and **Springvale** are delivering major infrastructure to improve accessibility, community recreational facilities and provide local business opportunities.

## Metropolitan Partnerships Achievements:

The Metropolitan Partnerships ensure **local voices continue to inform government decision-making** by bringing together 59 representatives, including experts and leaders from the community, to **identify and progress ideas and projects** that matter in their region of Melbourne.

**We will continue working with communities on their key priorities for their regions**
