Inquiry into Infrastructure Projects

On 27 May 2015 the Legislative Council agreed to the following motion:

Economy and Infrastructure Committee to inquire into, consider and report, at least once every six months, on public sector infrastructure and public works projects, including current and past infrastructure projects and proposals and, in particular —

- (a) projects relating to the removal of railway level crossings;
- (b) the Western Distributor;
- (c) the Melbourne Metro Rail Project;
- (d) the sale/lease of Port of Melbourne; and
- (e) Melbourne Airport Rail Link;

and any other public sector infrastructure or public works projects the Committee determines appropriate.
