Hi Kerry

Thank you for the opportunity to review the transcript. I have attached a scanned copy with a couple of minor changes

Below is a table indicating our number of participants, both placed and completing the 6 month employment outcome for our JVEN program and gender for each age cohort

Overall we have a 50/50 split in male and female participants but there is some variability across different age groups and completion

Kind Regards

Robyn

Age Bracket	Registered JVEN participants	Male –Job Placement	Female – job Placement	Total Job placement	Male – 6 months employment	Female- 6 months employment	Total – 6 month employment
