Ms VALLENCE: I would just be keen to know the status of the national proton beam therapy centre. Has this been abandoned by the government, this project? Yes or no? Is the project still—

Ms PULFORD: No, the project has not been abandoned.

Ms VALLENCE: So, if no, in the last PAEC budget estimates this committee received evidence that the \$45 million had been removed from the pages of the 2019–20 state budget and held in a contingency funding. Is that \$45 million still held in contingency? And if it is in a contingency, on notice, or if it is not, if you could describe where it features in the budget.

Answer:

This matter sits with the Minister for Health, the Hon. Martin Foley MP. Questions regarding the project can be directed to the Minister for Health.
