## **Statement of Objectives:**

In April 2024, I was proud to lead a cross-party Victorian Delegation to Türkiye to attend the Anzac Memorial Services, visit places of cultural significance, and engage with the Turkish Government and Parliament.

This Victorian MP's Anzac Delegation is an annual tradition for State Members of Parliament. After a pause on travel due to the pandemic, this tradition has returned in 2024.

Türkiye and Australia share a unique bond – through the shared experience that began on the battlefields of Çanakkale (Gallipoli). This year marks the 109<sup>th</sup> anniversary since the Gallipoli campaign that forged the spirit of the Anzacs of mateship, camaraderie and mutual respect. Values that now form part of the national identity of Australia, New Zealand and Türkiye.

Since that time, Australia and Türkiye have become close friends and share in commemorations on Anzac Day and throughout the year as thousands of Australians make the pilgrimage to Gallipoli to pay their respects and honour the fallen.

Victoria is home to the largest Turkish community in Australia. The electorate of St Albans is home to a sizeable Turkish community. There are several significant Turkish community groups, festivals, and events hosted in the St Albans electorate every year.

The arrival of Turkish Airlines' inaugural flight to Melbourne in March 2024 and the announcement that they would base their operations out of Melbourne Airport illustrates the growing importance of these cultural and economic ties. This represents a major opportunity for increased international trade and tourism. Providing more competition and cheaper flights for Victorians while also creating hundreds of jobs for my constituents and Victoria. Melbourne Airport in the North-West of metro Melbourne is a growing centre of economic activity which supports over 20,000 jobs, with the majority of employees living in the north-west region, including the St Albans electorate. Melbourne Airport forecasts job creation to reach over 40,000 by 2038.

By fostering these economic and cultural ties between Victoria and Türkiye, we can develop further economic opportunities for both communities. As the Member for St Albans, Minister for Veterans, Youth and Small Business I am regularly engaged in discussions with stakeholders to further enhance our cross-cultural connections and explore trade, tourism, and education opportunities for the electorate and for Victoria.

## Summary of meetings and visits:

### 18 April 2024

Melbourne to Istanbul

Stayed in Istanbul (18-22nd). Total cost: \$1,670.69AUD

### 19 April 2024

I met with:

- Çetin Tecdelioğlu, the Deputy President of the Turkish Exporters Assembly.
- Ahmet Bolat, the Chairman of Turkish Airlines.
- Mehmet Develioğlu, Deputy President of the İstanbul Chamber of Trade

I was fortunate to meet Chairman Ahmet Bolat from Turkish Airlines, it was wonderful to hear about how successful the Turkish Airlines flights from Melbourne have been to date.

I also met with the major traders group the Istanbul Chamber of trade and a representative from the Turkish Exporters Assembly. They updated me on their recent trade and business activity and spoke of the growth opportunities they see for both Turkish and Victorian businesses. They noted they would be travelling to Victoria as part of a trade delegation later this year. We also spoke about the additional tourism that has been unlocked by the new flight path between Melbourne and Istanbul.

Briefing on the Victorian MP Delegation to Türkiye's tour itinerary and other matters.

- The Consular General of Australia in Istanbul meeting – was cancelled.

**20 April 2024 – 21 April 2024**

The Delegation visited the major cultural and historical sites of Istanbul which included the Dolmabahçe Palace, Sultan Ahmet Mosque, Ayasofya Mosque, Basilica Cistern, Topkapı Palace, the Bosphorus and the Grand Bazaar. These are places of immense historical and cultural significance for Türkiye.

We met with the chair of the Council of Foreign Economic Relations of the Türkiye-Australia Business Council. Mr Steven Young is an Australian of Turkish heritage based in Istanbul, we spoke about growing business ties between Australia and Türkiye. He noted the opportunities that direct flights between Melbourne and Istanbul presented for business, trade and tourism.

**22 April 2024**

Depart Istanbul, travel to Ankara (flight)

Stayed in Ankara (22nd-23rd). Total cost: \$202.95

The Delegation had the honour of visiting the Mausoleum of Atatürk (Anıtkabir) to pay our respects, lay a wreath, and sign the Book of Honour. It serves as the resting place of Mustafa Kemal Atatürk.

Mustafa Kemal Atatürk was the founder of the Republic of Türkiye and served as its first President from 1923 until his death in 1938.

During the ANZAC campaign, Atatürk was the commander in charge of Turkish forces.

After the Gallipoli campaign, Atatürk famously said:

*Those heroes that shed their blood and lost their lives...*

*You are now lying in the soil of a friendly country.*

*Therefore rest in peace.*

*There is no difference between the Johnnies and the Mehmets to us where they lie side by side now here in this country of ours...*

*You, the mothers, who sent their sons from faraway countries wipe away your tears;*

*Your sons are now lying in our bosom and are in peace.*

*After having lost their lives on this land they have become our sons as well.*

The Delegation paused to view the words inscribed into the stone of the Mausoleum and reflect on the significance of this statement which has become an enduring symbol of the relationship between Türkiye and Australia.

We joined with the Australian Ambassador Mr Miles Armitage from the Embassy of Australia in Ankara, and Parliamentarians of the Türkiye Australia friends group from the Turkish Grand Assembly, including a representative from the Minister from Veterans' office.

### **23 April 2024**

Delegation members visited the Turkish Grand National Assembly (TGNA).

The TGNA has 600 members and is located in Ankara, the capital city of Türkiye.

The Delegation joined a reception hosted by HE Halil Eldemir, the President of the Türkiye-Australia Interparliamentary Friendship Group, Member of Parliament for Bilecik. Other Parliamentarians also joined this reception.

We had the opportunity to discuss the relationship between Türkiye and Victoria. We also spoke about Global Victoria and how Turkish migrants living in Victoria have benefited from the support of Global Victoria to import and export goods. There are many examples of successful Turkish migrants in business within the north-east metro Melbourne region. We discussed the economic and cultural opportunities between Türkiye for businesses of all sizes. We also discussed the history of the Victorian MP's Anzac Delegation and how this shared historical event has strengthened ties between Australia and Türkiye. We thanked the Turkish Government for their continued support in maintaining war memorials, allowing Australians to honour our country's veterans each year, reflecting on the significant cooperation between the Australian and Turkish Governments to enable travel and commemoration on Anzac Day and throughout the year.

We also attended the TGNA General Assembly Special Session for the Anniversary of Foundation of the TGNA and a guided tour of the TGNA. This coincides with National Sovereignty and Children's Day in Türkiye – a very significant day in Türkiye that celebrates democracy and the importance of young people.

Finally, we met with HE Bekir Bozdağ, the Deputy Speaker of TGNA.

We then departed Ankara to Çanakkale (domestic flight).

**24 April 2024**

The Delegation attended the Ceremony for the 109th Anniversary of the Land Wars of Çanakkale, where the President of the Gallipoli Historic Site, Ismail Kasdemir, delivered a moving speech. Mr Kasdemir particularly spoke about the common ground that Gallipoli now represents as a sacred meeting place to reflect and commemorate.

The Delegation also attended the services of the armed forces of France and United Kingdom.

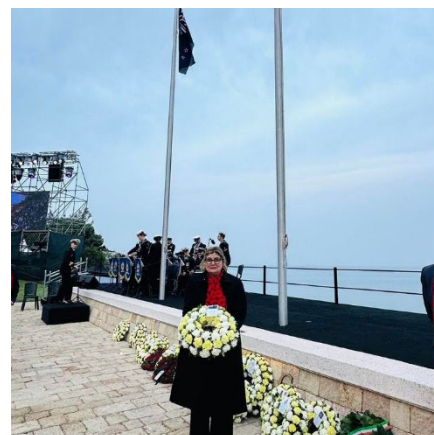

**25 April 2024**

**Dawn Service**

The Delegation attended the Anzac Day Dawn Service at Anzac Cove.

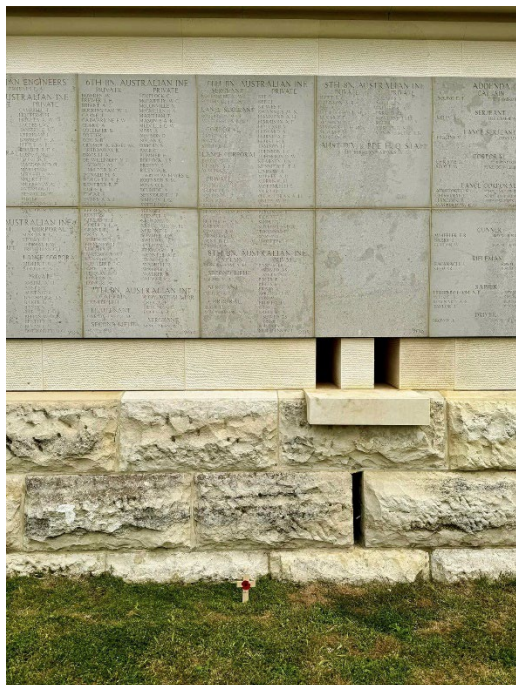

The Dawn Service is an important time for reflection on the service and sacrifice of our state's veterans. As Minister for Veterans, I was honoured to lay a wreath on behalf of the Delegation and the Victorian Government.

The Delegation joined over 1500 travellers from Australia and New Zealand joined Turkish and other dignitaries at the former World War I battlefields at Gallipoli for a solemn service at dawn. As the sun rose, participants held a minute of silence to reflect on the sacrifices of tens of thousands of soldiers from the Australia and New Zealand Army Corps, who landed at the beaches at Gallipoli, in north-west Türkiye. Deputy Prime Minister Richard Marles gave a moving speech, reflecting on the spirit of the Anzacs who made the ultimate sacrifice in service of their nation and the lives lost on both sides of the conflict.

It is so important that Australians continue to make the journey to Gallipoli, to pay their respects to our ANZACs, and remember our significant wartime history and we should continue to support Australians join this service in the future.

Following the Dawn Service, we paid our respects at the Lone Pine Monument, commemorating the 3,268 Australians and 456 New Zealanders who died in the campaign and have no known grave, and the 960 Australians and 252 New Zealanders who were buried at sea. This was a significant service with many Delegation members visiting the graves of soldiers from their electorates honoured at Lone Pine.

The Australian Dawn service was followed by service for New Zealand.

We also visited the Conkbayırı Monument.

Together with my colleagues John Berger, Pauline Richards, Anthony Cianflone, and Matt Fregon we travelled to Urfa. Urfa has rich historical and cultural significance, including Göbekli Tepe - the world's oldest known temple, dated back 11,500 years ago.

## **26 April 2024**

Şanlıurfa/ Şanlıurfa to Istanbul

In the morning the delegation visited Göbekli Tepe which is a Neolithic archaeological site in the Southeastern Anatolia Region of Türkiye. The settlement was inhabited from 9500 to at least 8000 BCE famous for its large circular structures that contain massive stone pillars – the world's oldest known megaliths.

The delegation then went onto the Pool of Abraham in Şanlıurfa and the Mevlid-I Halil Mosque. Balıklıgöl and neighbouring Aynzeliha pools are among the most visited places in Şanlıurfa and have significance in Christianity, Islam and Judaism. Balıklıgöl, is a pool in the southwest of the city center of Şanlıurfa, Turkey

## **26-28 April 2024**

**Stayed in Istanbul (26th-28th). Total cost: \$821.65AUD**

28th: Istanbul to Melbourne (flight)

### **Concluding remarks:**

Victoria and Türkiye have long had strong cultural, historical, social and economic ties which can be strengthened even further between our communities and governments. In February 2023, in response to the earthquakes in south-eastern Türkiye, the Victorian Government donated \$1 million towards the recovery efforts.

On 5 October 1967, the Australia-Turkey Migration Agreement was signed between the Australian and Turkish governments - a bilateral agreement to provide assisted passage to Turkish migrants, to help build Australia's population and expand the workforce.

Since then, Victoria - particularly the St Albans electorate and the north-west region of Melbourne - is home to many successful Turkish migrants. Opportunities can continue to grow in this area with further investment, trade and tourism.

It was an honour to represent Victoria as the Minister for Veterans and my community as the Member for St Albans to take part in the commemorative services in Gallipoli Türkiye and re member our brave soldiers most of the very young, who sacrificed thier lives on the peninsula.

It is so important that we continue to remember and honour the Anzacs and reflect on our wartime history. There are many occasions across the year for Victorians to honour and respect veterans both at home and overseas, and I would encourage all Victorians to take part in these important services. Also programs such as SOAP are important to educate our Victorian Students of the Anzac journey, and I'm pleased that this year 12 students will also travel to Gallipoli, Turkiye as part of the winning prize.

Lest We Forget.
