Hearing Date: 11 August 2021

Question taken on notice

Directed to: **Lyndon Stevenson, VICTAS Community Transport Association**

1. The CHAIR (Page no. 22)

Question asked.

How many services does VICTAS Community Transport Association deliver?

Response:

VICTAS Community Transport Association as the peak for Community Transport doesn't deliver services directly.

The Commonwealth Government figures state 247,000 community transport trips were delivered in Victoria in 2019/2020.

Unfortunately we are unable to access data of community transport trips delivered through the Victorian State Government HACC-PYP Volunteer Coordination funding but we estimate it is approximately 15,000 in 2019/2020.
