**Mr HINCKSON:** And that included the PV occupiers. Once I include the applications received though, that takes the total to 35 000. In terms of the actual amount that was paid out at that point in time, we would need to take that information from Sustainability Victoria.

**Mr RIORDAN:** Okay, we will take that on notice. So, you will get back to us with how much was paid out by April.

### Answer:

At 12 April 2019, close to 10,000 applications had been finalised and close to \$21 million of rebates paid.
