

Environment and Planning Committee
Legislative Council

Inquiry: Inquiry into Ecosystem Decline in Victoria

Hearing Date: 10 August 2021

Question taken on notice

Directed to: **Dr Mark Norman, Parks Victoria**

1. Mrs McARTHUR (Page no. 17)

Question asked.

Can you supply the Committee with the methodology used for the aerial surveys?

Response:

The aerial survey techniques used by Parks Victoria in collaboration with NSW and ACT are detailed in the following document link from the Australian Alps Liaison Committee:
