

PARLIAMENT OF VICTORIA
Economic, Education, Jobs and Skills Committee

MEDIA RELEASE

Hearing on interstate best practice in community energy

Community energy groups in New South Wales will share their experiences with the Economic, Education, Jobs and Skills Committee at a public hearing in Sydney for the community energy projects inquiry.

The public hearing will be held from 10:00 am to 12:15 pm on Wednesday 15 February at the Sir James Fairfax Room, Radisson Blu Sydney, 27 O'Connell Street, Sydney.

The Committee will hear from ClearSky Solar Investments, Pingala, and the Sydney Renewable Power Company, which are each running community energy projects. The Australian Wind Alliance will also present its views on community energy to the Committee.

While in New South Wales, the Committee will visit several community energy projects that are operating or under development, including Tyalgum Energy Project, Community-Owned Renewable Energy Mullumbimby and Farming the Sun Lismore.

The schedule for the hearing and more details on the inquiry are available from the Committee's [website](#).
