

SOLAR HOMES

Questions on Notice

Question 1

Mrs McARTHUR: Thank you, Minister. How many executives, full-time equivalent, currently sit on Solar Victoria?

Ms D'AMBROSIO: Paul, would you like to—

Mr CORKILL: Yes, I can answer that. If you just bear with me for a moment so I can give you the exact figure. Thank you. The number is 13 executives across Solar Victoria.

Mrs McARTHUR: Perhaps, Mr Corkill, you could answer the next question. Could we have a breakdown of the wage bands of those working at Solar Victoria?

Mr CORKILL: I think we will have to take that one on notice.

Answer:

Wage bands of those working at Solar Victoria are captured in the tables below. Data is correct as of 30 April 2022.

VPS Bands	Number of employees
VPS2	10
VPS3	40
VPS4	42
VPS5	57
VPS6	32
(EO3) SES-1	10 x Directors
(EO2) SES-2	2 x Executive Directors
(EO1) SES-3	1 x CEO (Deputy Secretary equivalent)

Question 2

Mr HIBBINS: Thank you. Finally, can you provide the committee—and I assume this will be on notice—a breakdown of all the rebates you are offering on solar, on EVs and I think on hot water as well by postcode? The same goes for solar and renters as well. Can that be provided to the committee?

Ms D'AMBROSIO: Yes, we should be able to do that.

Answer:

Data below reflect the total rebate application approvals over the life of Solar Victoria's programs, by postcode.

Data includes systems already installed and rebated, and application approvals where installation is pending but funding is committed. Data is correct as of 20 May 2022.

Programs include:

- **Solar Homes:** Solar PV (Owner occupier), Solar PV (Rental), Battery (including Solar Victoria Virtual Power Plant pilot program), Solar Hot Water
- **Solar for Business:** Solar PV (Business)
- **Home Heating and Cooling Upgrades**
- **ZEV Subsidy**
