

## PAEC Inquiry into the 2018-19 Budget Estimates – Questions taken on notice and further information agreed to be supplied at the hearing

---

**Minister Allan, Major Projects, Wednesday, 30 May 2018**

### Question 1

1. With respect to the agreement with the AFL, has the lease been signed?

### Response

No lease with the AFL has been signed as yet.

### Question 2

2. With respect to the agreement with the AFL can the probity audit that was undertaken be made available to the Committee?

### Response

Government entered into a direct negotiation with the AFL regarding the redevelopment of Etihad Stadium. A probity audit is not required in a direct negotiation with one party. On that basis, no probity audit was undertaken.

### Question 3

3. With reference to BP3 p. 145 please provide details as to why only 10 of the 15 projects are to be delivered in accordance with contracted cost and contracted scope?

### Response

Five projects have not been included in the BP3 targets for the three respective performance measures (on contracted timeliness, budget and scope) as they are long-term precinct development projects, which do not have contracted costs, timeframes and scopes locked in at this point in time.
