Further to the above, the Committee also requested further information to answer the following:

1. In response to the audit, the VRGF undertook a review of its prevention and treatment services.
  - (a) Has the VLGA contributed to the VRGF's review? **Yes.**
  - (b) If so, what input did the VLGA have and what are the emerging impacts from the strategy?

**The VLGA was contacted to discuss gambling harm in Victoria and to better understand our relationship with the VRGF by KPMG Consulting. This was given through an online meeting. The VLGA have not been informed of any further emerging impacts.**
