G'day Megan,

Please find attached the edited transcript from our hearing on Tuesday along with the mud additive information (this is what was used on our last well and is typical for an exploration well) requested by the Committee. If you go to <http://www.amcmud.com/en/products-range/product-data-sheets/asia-pacific.html> you can get the data sheets for each of our additives plus the rest of their range.

Also the following is our estimated expenditure on community related activities since 2005

	Pre Moratorium 2005-2012	Post Moratorium 2012-2015	Total
Community Interaction	\$1,365,987	\$687,573	\$2,053,560
Landowner Compensation	\$311,380	\$297,915	\$609,295
Total	\$1,677,367	\$985,488	\$2,662,855

Please don't hesitate to contact me if you have any queries

Cheers
