

AGL Company Profile

- Australian Grain Link ('AGL') is a privately owned agribusiness that is based in the Riverina region of New South Wales ('NSW'). The head office of the operation is in the thriving regional town of Griffith.
- The Western Riverina Intermodal Freight Terminal (WRIFT) Agribusiness Centre, is Grain Link's future logistics hub for the Western Riverina.
- Grain Link has 3 other grain sites, these are located at Benerembah, Coleambally and Carrathool.
- The natural farming systems utilised ensure that our products are "Clean & Green" and are PRF (pesticide residue free).
- Our partners Terra Ag, in agronomic services ensures Non Genetically Modified Seed.
- Exporting specialty grains to discerning South East Asian markets under a "Clean & Green" image
- Full supply chain control and strong grower relationships ensures Point of Origin ID at all times
