Case Study

“Raafat* is 67 years old from Iraq, he came with his wife and son to Australia in 2019 as a refugee. Raafat as from Older Victorians from migrant and refugee backgrounds have often experienced trauma in his countries of origin, throughout his migration journey or in his country of settlement. Raafat suffers from mental health problems, financial difficulty, feeling isolated and difficulty accessing mainstream services because of the language barriers and not long ago Raafat was subjected elder abused from his son (verbal and physical).

The Needs : Challenges faced social isolation, civic participation, digital literacy, elder abuse and access to culturally appropriate aged care and home care services;

VASS referred Raafat to the following services:

- Senior Rights Victoria phone:1300 368 821
- My Aged Care to support him with daily needs.
- Public Housing

Having some one from same culture provide him with moral support and advocacy and to seek interpreter about linking Raafat with the mainstream services in this case Elder abuse

- Intervention order for Raafat’s son
- Join Arabic social support group and daily support through CHSP
- Age of Action group supporting Rafaat from housing issues

The outcome :

Raafat received public housing and is living with his wife, his financial stress level has eased, he is feeling connecting with the social group meeting new friends from his town, he is feeling empowered and independent due to using the Scooter from HCP who are supporting his daily needs”

*Raafat is an assumed name
