**Bev McARTHUR:** Thank you. Chair, just following on from a question I asked where the minister detailed that the metropolitan partnerships had met four times each for a total of 18 times: I am not very good at maths – it is really not my strong suit – but four into 18 does not go. That does not seem to add up, so perhaps you could provide a breakdown of those 18 meetings.

**Ros SPENCE:** I have been told it was up to four.

**Beth JONES:** Correct. So there are six partnerships, Mrs McArthur. It is up to four times – some may not have completed all of their meetings, but up to four.

**Bev McARTHUR:** Perhaps you could give us that information on notice.

**Beth JONES:** Certainly

### Answer:
