

Melissa Horne MP

Minister for Ports and Freight

The Victorian Freight Plan: *Delivering the Goods*

Port Rail Shuttle network

\$83 million upgrade of freight-only rail lines

Review of Victoria's ports

First review in almost 20 years looking at:

- Role and structure of state-owned port corporations
- Regulation of key port services – towage, pilotage
- Port pricing and performance monitoring
- Roles and responsibilities of local port and waterway managers

\$24 million investment in piers, wharves and jetties through *Building Works*
