

PARLIAMENT OF VICTORIA
Economic, Education, Jobs and Skills Committee

MEDIA RELEASE

Latrobe Valley hearing on community energy projects

The Economic, Education, Jobs and Skills Committee will explore how community energy projects can be part of the Latrobe Valley's transition at a public hearing in Traralgon for the community energy projects inquiry.

The public hearing will be held from 12:00 pm to 3:15 pm on Monday 6 March at the Traralgon Business Centre, 55 Grey Street, Traralgon.

Voices of the Valley and Earthworker Cooperative will present evidence on their community initiatives to assist the Latrobe Valley during the transition. The Committee will also hear from Latrobe City Council, Bass Coast Shire Council and the Committee for Gippsland about community energy's potential in the region.

The schedule for the hearing and more details on the inquiry are available from the Committee's [website](#).
