Victoria's Bus
Plan

2022-23 Victorian Budget

Realising the benefits
of the Big Build

Rolling stock

Program	Jobs
100 Next Generation Trams	1900
25 new X'Trapolis trains	750
70 HCMT	1100
50 E-Class trams	500
59 VLocity trains	500

Investing in regional rail

- \$224 million investment including \$47.3 to modernise V/Line
- Geographical Information System that will deliver real-time awareness of what's happening across the network, including better responses to incidents
- Upgraded rostering, procurement and safety systems

Delivering Victoria's Bus Plan

- \$109 million for bus service improvements in growing suburbs and regions
- Bulleen Park-and-Ride to open late 2022.
- New Greensborough FlexiRide service to add to six existing FlexiRides
- Pipeline of 78 zero-emission buses delivered by 2025

A more accessible and fairer transport system

- \$157.8 million to improve transport accessibility with upgrades at 22 train stations, 7 tram stops, 80 bus stops
- \$11.7 million to improve safety on the transport network
- \$800,000 for pre-paid travel passes for students in crisis
