

THE HON LUKE DONNELLAN MP

MINISTER FOR ROADS AND ROAD SAFETY
MINISTER FOR PORTS

TRANSPORT FOR VICTORIA

PORT OF MELBOURNE

- To the end of February 2018, this financial year, Port of Melbourne has handled approximately 10 per cent more containers than Port Botany.
- Port of Melbourne handles more export trade than Port Botany
- Full container trade through Melbourne for the ten months of this financial year has increased by 8.4 per cent compared to same time last year.

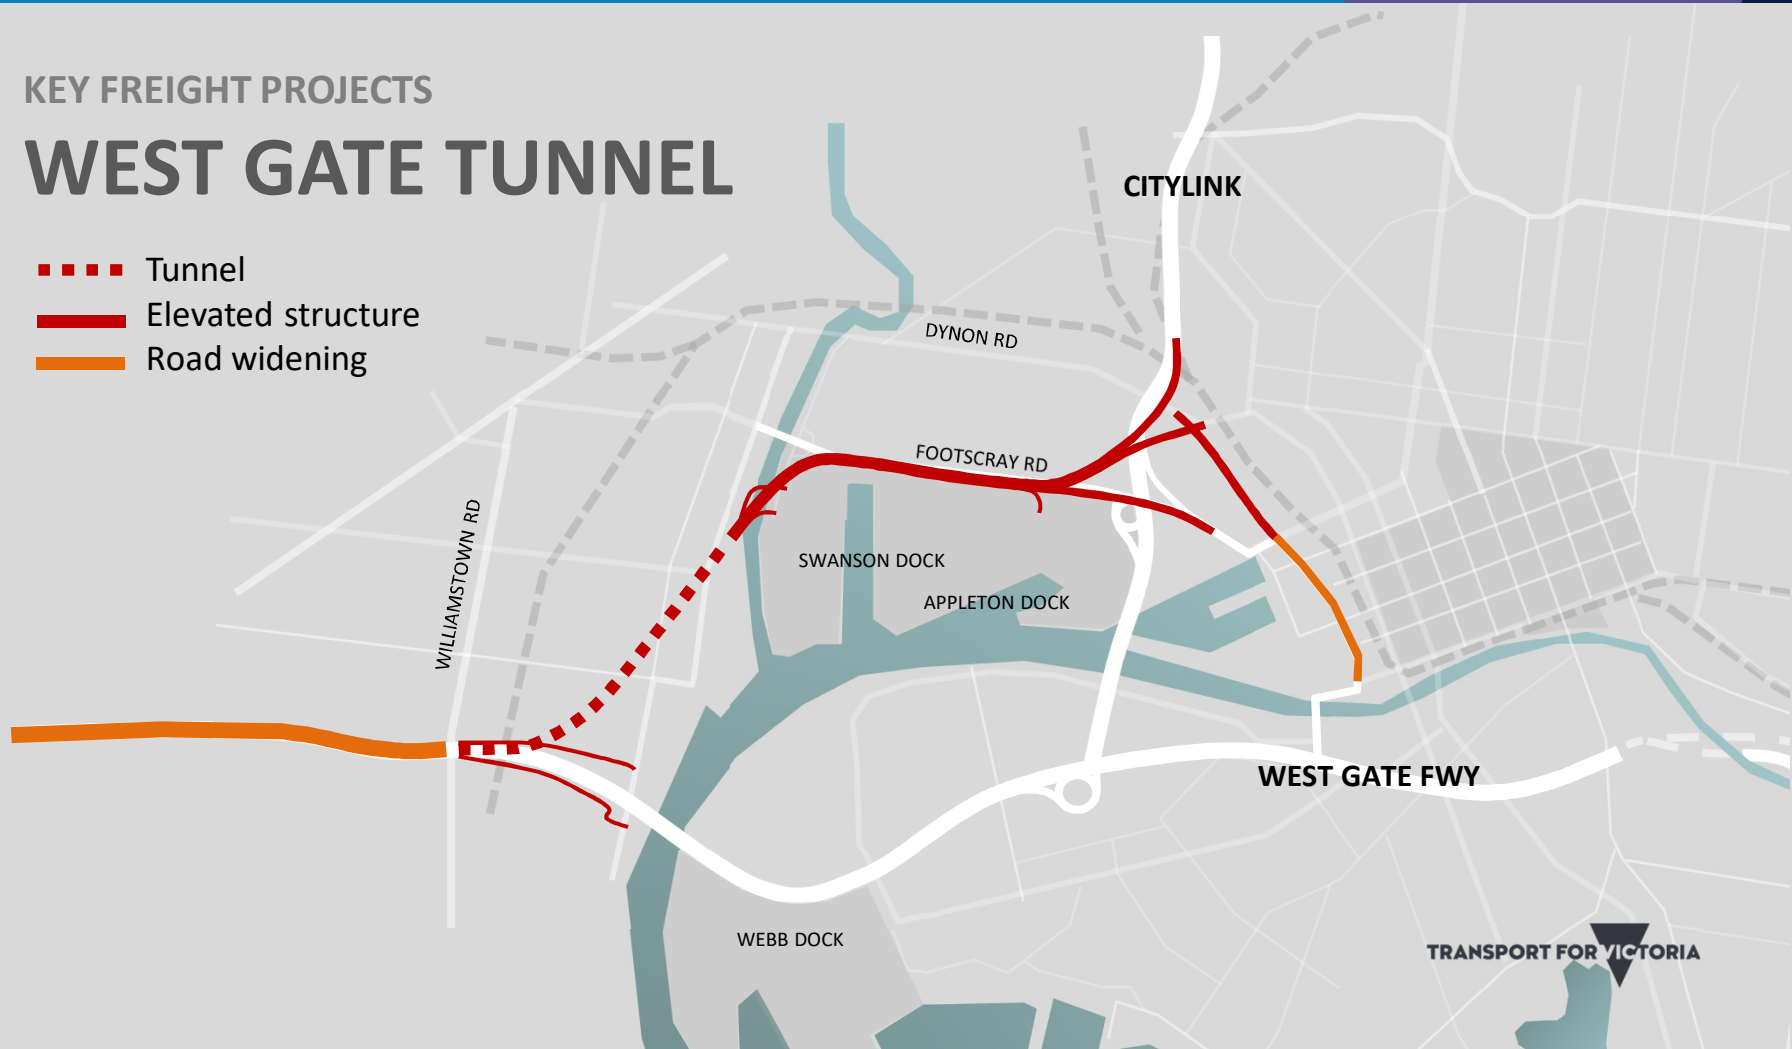

KEY VICTORIAN FREIGHT INITIATIVES

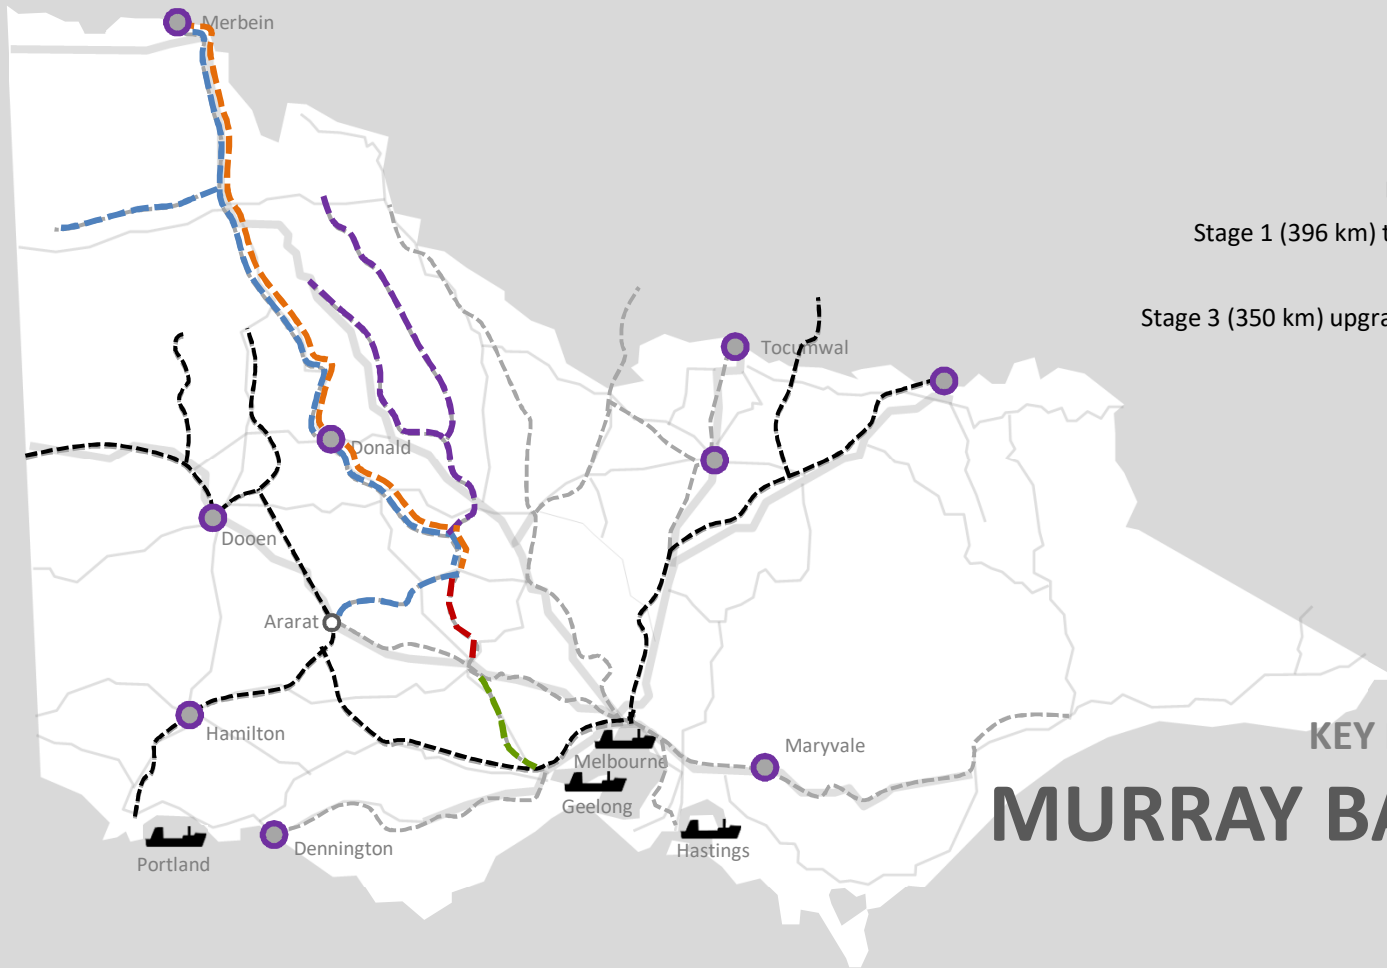

- Upgrading and standardising rail lines servicing the commodity producing areas of the north west of the state
- Leasing the Port of Melbourne to put it on a more competitive footing
- Strengthening bridges on key arterials to ensure we can boost the payload of road freight combinations
- Investing in two of the biggest road projects in the state's history - the West Gate Tunnel and the North East Link.
