### **YOUR SUBMISSION**

**Submission:**

We are a travel agency and events company based in Melbourne. The company has been decimated with the lockdowns and border closures and has lost 99% of its revenue and 80% of its staff. After Jobkeeper ends this week I will have lost all my staff. We have no revenue coming in due the the social restrictions, the huge lack of corporate and consumer confidence and the incompetent rollout of the vaccine (which was to be 4M people by now!...a joke). The government clearly has no idea as to how the industry works - events are planned months in advance ...you do not simply open the door and a sale is made like other industries. We are part of the Save Victoria Events group who are trying to get some relief for our industry. I ask that all the events related submissions are favourably reviewed. Thank you
