Economy and Infrastructure Standing Committee – Legislative Council

MEDIA RELEASE

Public transport inquiry invites community input

The Legislative Council's Economy and Infrastructure Committee has extended the submission deadline for its inquiry into Melbourne's public transport, including expansion of the free tram zone.

Public submissions can now be made until 31 January 2020.

The Committee is inviting community input on a number of issues, including:

- making public transport free for all full-time students and Seniors Card holders
- new technologies that enable intelligent transport systems that improve the performance of the networks
- the effects and benefits of dynamic public transport pricing.

An e-submission form is available on the Committee's [website](#) to enable community members to submit their views online.

People can choose to comment on one or more of the issues covered by the inquiry's [terms of reference](#).
