

Inquiry Name: Inquiry into the Increase in Victoria's Road Toll

Mr Phillip Mickan
[REDACTED]

[REDACTED]

SUBMISSION CONTENT:

--

I rode through Victoria in February this year and the road from Bairnsdale to Sale was in parts, frightening to ride along. There is so little space to pull over safely if you needed to (thank goodness I didn't), and riding between the wire barriers was frightening, thinking of the results if for any reason you fell off your bike. These barriers are scary and not at all comforting for a rider.
