YOUR SUBMISSION

Submission:

We live in a Budgeree which is a rural small town. When it comes to high schools we have Kurnai Churchill (our closed designated school) which is a low socioeconomic class of school or Mirboo North Secondary College which is a small school and a better option. We should have the ability to choose the school and have transport to this school even as a few payor. This isn't an option as the demand is too high for the buses.
