### YOUR SUBMISSION

**Submission:**

I am a mother of two boys who catch a local bus to school most days. I may seriously concerned about the safety and privacy of my family if this bill is pasted. My kids are picked up and dropped from at the front of my house daily, this is not the same as a bus stop down the street.

A lack of supervision would be a major concern. The bus driver can't be expected to supervise adults and children are acting appropriately. Would the public need to have WWCC to get on the bus?
