Submission:

Hello, i'm writing to urge there to be more local buses / more often in our local area. I very much would like to take public transport between Stawell, Warracknabeal, halls gap, Ararat however the very infrequent times makes this very hard to line up with my work so instead i am forced to drive. This would be a valuable resource for our community especially as an ageing population, and a great way to get our community moving post COVID.
