

## **Inquiry into the Use of School Buses in Rural and Regional Victoria**

### **YOUR SUBMISSION**

**Submission:**

Since the public school bus run from Bridgewater to Inglewood was cancelled, St Mary's Primary School has had to lease a bus and employ a bus driver in order to get our rural students to school. The significant cost associated with this service is becoming untenable and we are currently reviewing the service for the future.

St Mary's supports the inquiry into the use of school buses in rural and regional Victoria and hope that in the future the children of Inglewood will have greater access to public transportation.
