

Inquiry into the Use of School Buses in Rural and Regional Victoria

YOUR SUBMISSION

Submission:

I am writing to you to plead our case for running a bus service from St Augustines College in Kyabram to our home town of Tatura.

The school use to run a service in the afternoon but this service has ceased and now my 15 year old daughter has to rely on the vline bus to take her to and from school.

The bus stop is roughly 800m away from the college and she has roughly 13 minutes to get there in the afternoon.

We feel with the amount of students travelling from Tatura to Kyabram and bus service should be in place.

Are you interested in appearing before the committee in person to talk about your submission?
