I have had to remove my children from Shepparton super school due to one child in this super school being sexually harrassed, threatened by boys that she would be beaten , verbally abused , and constantly being kicked, humiliated ,shoved by over 20 boys and a group of girls. This was an ongoing battle of 1year and a half with no resolution , respect or dignity . The closest secondary high school is 35min drive which costs me over \$100 a wk . i do not work and due to having no buses from Shepparton to Nurmurkah is appalling . No option or alternative secondary schools that are public is an outrage. I can't even get traveling allowance for special circumstances due to the school she was removed from is her in area school . Not only that i have had to shift 2 children , one to Nurmurkah secondary college and one child to Nurmurkah primary school . bus from Tallygaroopna is not good enough !. Bus is an issue and no public secondary school is an issue . Fix the problem for goodness sake !. It's a burden and sacrifice that had to be made for my children's safety and well-being . problematic children should be moved not punish those who are innocent . A bus from Shepparton to Nurmurkah is needed.
