YOUR SUBMISSION

Submission:

We live in a regional town(Lara) and in order for us to catch a but to Geelong we need to go through a number of Geelong suburbs before we get to Geelong make the trip extremely long. Not only is the trip long, I am concerned for my child's safety because some of the suburbs are high crime rate suburbs. I feel we would benefit from a bus that does a pick up around Lara and then express to Geelong city.
