We currently do not have a school bus at Grahamvale Primary School yet plenty of parents have discussed the need.

There is a real lack of knowledge of how to establish a bus system at our Primary School because everyone I speak to says “the Principal doesn’t want to let in the nuff nuffs” (I’m not kidding!).

We believe that our housing Estate, the Boulevard Estate would fill 2-3 buses which could travel to/from St Luke’s, GV Grammar and Grahamvale.

Surely, having an efficient working bus system has a positive return for our local economy? I for one would be able to work longer hours in the afternoon.
