YOUR SUBMISSION

Submission:

We live in regional Victoria with 3 teenagers aged 13, 16 & 17. They travel on the school bus. There are no other buses providing transport from our town. It would be great if the wider community could utilise the school bus system for shopping, work, appointments. Our kids are fully reliant on us to drive them to sport and work, this means that often this restricts what work or recreation they or we do.
