I live in Tatura Victoria with my 4 children I own my house and love the town we don't have a high school in our town unfortunately. I decided I didn't want my girls to attend the super school in Shepparton and at the time the other schools had a wait list or were way to expensive we were welcomed at Kyabram p12 and loved it the girls catch the vline bus everyday. We find the vline bus good but sometimes the bus leaves early or doesn't have the room for them with me having to leave work to pick them up it also costs me \$7.45 per day which is a big expense for a fortnight. I would be happy to pay bus fees for a school bus instead as I wouldn't have to worry about the girls being with members of the public which itself some days is interesting for them. In the afternoons the girls have to leave 15 min early to get down to the bus station in Kyabram missing the last bit of there class every day which isn't good. Thank you for reading
