YOUR SUBMISSION

Submission:

I am making a submission about the need to allow Tatura children to catch a school bus to and from Kyabram Schools.

Kyabram is nearly the exact distance from Tatura as Shepparton, and buses to and from Secondary schools in Shepparton are provided, yet students attending Kyabram Sceondary schools have to catch a VLine bus. This bus is often full and students have to walk from the bus depo to their Secondary School rather than get dropped directly at their school.

It makes sense with so many Tatura children attending Secondary School in Kyabram that they have access to a proper school bus.
