YOUR SUBMISSION

Submission:

I am asking for a school bus to be provided to Tatura students attending Secondary schooling in Kyabram. Currently students have to catch a VLine bus which can be full and students miss out.

If a bus is provided for Shepparton Secondary schools which is the same distance as Kyabram, then one should also be provided to Kyabram.

I have a daughter attending Secondary School next year and would feel more confident that she is secure when travelling on a school bus instead of a VLine bus. I don't like the idea of students walking from a bus station to their school instead of getting dropped at the school.

A school bus would also be more cost effective for families.
