### YOUR SUBMISSION

**Submission:**

There are no bus services from Shepparton to Nurmurkah for schools . I do not work and transportation is costing \$200 per fortnight in fuel alone . This is disgraceful as i am also not entitled to any travelling allowance due to special circumstances . I had to remove my child from GSSC super school as my daughter was being sexually harrassed, shoved , surrounded , tormented daily. There is only one bus from Tallygaroopna and that's not good enough as the alternative school provided by dept of education was Nurmurkah yet infrastructure is not available for those living in Shepparton .
